### MEN'S HATS ARE FREAKISH

Especially Can Stunts Be Done with the Panama.

TRIMMINGS FOR FAVORITE LID

Handkerchiefs as Well as Ribbons Worn Around It-Raiders and Typolese Hats from London.

the man with the hat of which he is esperially fond, although his friends are disposed to greet its appearance with derision. and had once been green. The sun and should be put uppermost. rain, as well as the wear of many summers, had washed it into a shade the specwhich he regards as a mascot.

mer on the golf links and the tennis courts. the short ends fall down over the back. Once a man bought in Paris a near Panams, and not very near at that, made in like little Heater on her way to the Sunday the shape of an Alpine and surrounded school picule, but there is the comfort that with a blue ribbon. He wore it until the comes from knowing that your healthcres straw was yellowed by the sun and darkened by dust and rain.

friends chaffed bim about the antiquated hais. They are of panges slik, unusually But he looked grotesque in a bat bent up distinguished above all others he had seen. And in his heart he meant it.

He thought he looked extremely well in that shape and nothing could have per- ground the hat and tied at one side. auaded him to the contrary. So he clung

stamp of London appreval, for the best of these hats come from London. Price of the Panama.

The Panama is as smart this year as ever and may range in price from \$15 to \$50. Whatever it may cost, men who are still within the age limit wear it with the brim ap in front and down in the back, the reason for this arrangement being the theory that the sun is thus kept off the back of the neck and the vision unebstructed when has still the right to claim that distinction, one is purting on the river. That may be true in England, but why adopt such a fashion when nobedy punts here?

After your Panama is arranged in this way it is possible to play all sorts of horse with it so far as the ribbon is concerned NEW YORK, June 2 .- Everybody knows There is the simple black ribbon which on the finest straws is from an inch to an inch and a half wide, while on the chean makes it is little broader than a string And there is the striped two-colored rib-He appeared on the tennis court at Travers bon. When a light and a dark colored rib-Island the other day. The hat was of felt bon are used in combination the dark color

These are the conventional things to do with your Panama, but there are a num tators described as gutter soum. In spite ber of others that are new this year. One of criticism, the owner clung to the hat, decoration is to put a broad colored ribber -various shades are combined-loosely Many such mascots will be seen this sum- about the hat and tie it at the back. Then Of course you run the risk of looking is not mollycoddle but the last cry of London chic for men. Just as smart is laughed superciliously when his the handkerchiefs tied about many of the

> nust he rolled up until they are less than three inches deep. Then they are put Both these styles of decoration are as the Pana ia. One of these is a labeli rough indence that is so characteristic of young

adays to cling to the old-fashioned shape of the Panama and few of this kind are seen except on men too old to wear the the other afternoon. He has been famous as one of the city's

good lookers, and over 59, as he now is, he

lid and declared that the hat was really dark blue, ornamented with white or red in front, mithough the style was very be- the most dismiled and conventional form coming to the 20-year-old son with him. figures. They are about a yard square and Some Other Frenk Lids.

ble this year without the intervention of the becomery touch of free and easy con-

prevailing mode of brim, up in front and green felt Tyrolege hats. They are smarter down behind. There is an age at which in London this year than they ever were brim. this style is inappropriate, as a man at before, although they have been worn to shoot with Baron Hirsch and he had his picture taken wearing one of these hats. | kind of club or regiment which has its brush, the ornament must be at the back and not at the front of the hat. These hats are not made in London but

in Vienna. They cost from \$4 to \$5, and the additional expense of the feather ranges from a quarter to a dollar. Cloth caps for the steamer this year save a cupe that will clese down over the neck in cold weather. Motor caps have a similar arrangement, although the cape is outtoned down, apparently for no other reason than that every detail of automobile

Golf and outing caps are this year different only in having a somewhat fuller. crown. They are made only in the check cassimeres and rough tweeds

garments must be made as elaborate as

Soft Hats Are Many. Soft hats that are modish this year range from the so-called English squire hats, which are made up in gray and are of the Aipine bat, down to the college or There are plenty of extravagances possi- in front and pushed up behind to give it
