be one for the Japanese naval authorities to deal with, and they undoubtedly would do so without any prompting from the United States. Our own government at Washington has taken the initiative in admonishing and even reprimanding American mflitary or naval officers who are guilty of indiscreet public comments upon foreign institutions.

It has done so upon the theory that the offense of the officer is against his own government and it is not doubted that the Japanese view will be the same.

Work on Boilers Pushed.

AKRON, O., July 9 .- The Stirling company at Barberton has an urgent request from Washington to push the bollers for the battleships of the navy to completion as fast as possible and Engineer Gay of the navy has arrived to see that the work night until the boilers are completed.

No Nation Wants War.

DES MOINES, July 9 .- "Neither Japan nor the United States want a war at this time," said Congressman J. A. T. Hull, chairman of the house committee on military affairs, this morning. "There is a big element in Japan who
