its commanding superiority over all other American beers not only approve of it for their own table, but heartily recommend it to poorly nourished and convalescing patients. The testimony of the World's greatest physicians prove that beer is undoubtedly healthy—for example we print the following:

Weather conditions this morning were

Weather conditions this morning were much improved over yesterday. The gale that created such havoc with scores yesterday had died down to a gentle breeze this morning and the sun was partly obscured by clouds that gave promise of a storm. Much better scores, therefore, were looked for in today's play.

John D. Rockefeller was one of the early birds at the club house and he joined the spectators at the first tee. The play of Eben Byers, present amateur champion, attracted him and for a time Mr. Rockefeller trudged along behind the Pittsburg man and his playing partner, F. L. Griffith of the Arlington Golf club, watching their play with great interest.

After watching the Byers-Griffith match, Mr. Rockefeller switched to the Chandlor Egan-Jerome Travers match, which had a large gallery, and followed this for some time.

Both Egan and Travers played carofully

time.

Both Egan and Travers played carefully and the belief that the two probably would come together some time during the match play for the championship lent interest to the match. Egan found the bunkers of both the short holes going out the third and eighth, but finished the first nine holes in 39. Travers was bunkered on the long seventh hole, but played perfectly otherwise and finished the first half in 37. Scores J. A. Ellen. Pittsburg Field club. 81

PLAY FOR THE OLYMPIC CUP

Famous Golf Trophy is Won by Metropolitan Team.

CLEVELAND, O., July 8.—The Olympic cup, open to teams of four from any golf association in the world and held for the last two years by the Western Golf association, was today won by the team of the Metropolitan Golf association, with a total of 641 strokes. This event, the pre-liminary to the National Amsteur Golf championship, the qualifying rounds for which will be played tomerrow and Wednesday over the Euclid club links, was played in the teeth of a gale, which brought disaster to many players and ray the scores up to a degree entirely unexpected, many of those who are regarded as strong bidders for championship honors turning in cards many strokes above those shown in the practice of the last few days.

The Western Golf association team fin-

Sixth race, mile: County Clerk (105, Crimmins, 5 to 1) won, Della Thorpe (105, Austin, 7 to 1) second, Delestrome (110, Powers, 5 to 2) third. Time: 1:44%. Dr. Lee Huffman, Ouardi, Sir Geofry, Helen Virginia and Anna Ruskin also ran.

NATIONAL GOLF CHAMPIONSHIP

Weather Conditions Much Improved, with Large List of Entries.

CLEVELAND, July 8.—Play for the national amateur golf championship commenced this morning over the Euclid links. J. A. Ellen of the Pittsburg Field club drove the first ball of the tournament, he and his playing partner, Daniel Chauncey of Garden City being sent off at \$4.96 a.m.

The players were sent away at brief intervals, but the entry list was so large that it was well into the afternoon when the last pair drove off. Eighteen holes will be played today and eighteen tomorrow, the thirty-two lowest scores to qualify for the ellininating match play that commences Thursday.

Weather conditions this morning were

made the morning round in 77 and the afternoon round in 75, a total of 152, play that was considered remarkable in view of the adverse conditions.

The result of today's play, in which forty contestants for the amateur championship took part, indicates that with similar weather conditions a score of 175 or even higher will qualify for the championship rounds, beginning Thursday. Only twenty of those playing today had scores of 175 or better. Travers play today has made him a pronounced favorite for championship honors, although it is evident that from the high-class field entered some close matches will result.

The first qualifying round of 18 holes for the championship will be played tomorrow, commencing at 9 evidek. The second round of 18 holes will be played Wednesday, the large field making it impossible to play the 35 holes in one day.
