Rosewater scholarship has been awarded 1903, when dividends were respectively \$48, While Edward Rosewater, the great and talented editor of the Bee is dead, his memory lives and will confinue for ages. In Based on John D. Rockefeller's possible his will he bequeathed a portion of his formen. In that will it was provided that the used for this purpose. One young man has been given a scholarship and as time passes, there will be others. Unlike many of the rich men of Omaha, where Edward Rosewater died, he did not leave his entire fortune to relatives, but placed a portion of it where it would help others who were willing to help themselves.

Central City Record-Thomas M. Huntington and Ami B. Tidd stole about all the land in two counties of Nebraska. There large sum of money. They were tried and would have opened wide its doors for them for a number of years. As it is, they steal land worth a hundred times the other property, and do the state far more damage

MY DOG AND I.

Michigan Farmer. When living seems but little worth And all things go awry, I close the door, we journey forth— My dog and I!

For books and pens we leave behind, But little careth he, His one great joy of life is just To be with me.

He notes by just one upward glance My mental attitude, As on we go past laughing stream And singing wood. The soft winds have a magic touch That brings to care release. The trees are vocal with delight, The rivers sing of peace.

How good it is to be alive! Nature, the healer strong, Has set each pulse with life athrill And joy and song.

Discouragement! 'Twas but a name, And all things that annoy, Out in the lovely world of June Life seemeth only joy! And ere we reach the busy town, Like birds my troubles fly, We are two comrades glad of heart— My dog and I
