SAVINGS BANKS AND INVESTMENTS. Montana, whose chief qualifications machine managers? The real object Financial experts in Wall street confess utter inability to understand the remarkable increase in the amount of deposits in the savings banks of New York and other cities of the country, at a time when there is an unusual demand for the investment of capital at comparatively high rates. Particular attention has been called to this condition by the report of one savings bank in New York City which has over

100 100 10 March

\$100,000,000 on deposit, distributed among 50,000 depositors, with no account larger than \$3,000. The savings banks of New York state have total deposits of \$1,464,950,000, an increase of over \$60,000,000 in one year and considerably greater than the total in either England or France. In this connection a recent statement of the Treasury department shows the amount of savings deposits in the United States as follows:

1901 ..... .. 2,516,843,298 1905...... 3,093,077,357 1903..... 8,815,483,106

Boldly the robbers boarded the train and emanded that it halt, but the engineer part of the court is not legal, for the enlistment of a minor is voidable and not demanded that it halt, but the engineer went ahead at full speed and at the first "Mighty serious business." said the or-"Mighty serious business." Didn't you know cold and it is well settled that, while the ficers to the trainmen. "Didn't you know it was against the law to carry passengers without tickets?"-Philadelphia Ledger.

TO ALL NEWSPAPER REPORTERS

New York World. to, all reporters everywhere Who shove your active Fabers Into the news of rich and poor Into the news of rich and poor 'Mongst foreigners or neighbors, Catch on to John D.'s happy thought And watch his steps intently And for each step he takes ahead, You slip in two, see?-gently.

Don't crowd the old chap off the track, But mind his admonitions To lay for opportunity In favorable positions, And from your fourteen per and space You'll grow a billion dollars o scatter money everywhere For educating scholars,

Of course we know how much you score All money that is tainted. But don't be cross; perhaps it sin't. As black as it is painted But even if it is, dear boys, Just mark it "Paint," and danger Will be avoided easily artillery ( By every money changer.

second lieutenants the eight army candi-At present you reporters are Our greatest educators. Although we don't consider you Quite as our alma maters; But say, dear boys, just think a bit What most illustrious scholars dates who were examined some months ago at Fort Leavenworth and who have been awaiting their commissions. All of them will find awaiting them vacancies in you had You'd hand the country if yo A thousand million dollars. the grade of first lieutenant and will be
