lagan and the Eagles divided honors at Vinton street park Thursday afternoon when Pa Rourke donated his share of the gate receipts to the Eagles' building fund, and the Rourke family shut out Duncan's Sloux by the score of 4 to 0. The Engles turned out in goodly numbers to help post the good cause along, and they brought their wives and sweethearts with them until they nearly filled the huge grandstand and the boxes besides. Dan Canon, Sontanschein and Will Stockham were the grand financiers of the occasion and looked after the money as it appeared, and all went home happy because Omaha

Regan had been out of the game since July 4, when he wrenched the muscles in his back in hitting up files at Des Moines, but he was in good pitching form, for all he had his ribs in slings, and did not give the Sloux a chance to score, not a man getting as far as third hase. Such heavy hitters as Weed, Hart, Nobilt and D. Sheehan did not come near to making a hit, and the others were few and far between. In two innings only did it look as though the Duncan's might do something, but in Hall of Omaha, Attendance, 1,600. each of these nothing happened. In the third J. Sheehan and Corbett, the first men up, hit for singles, but Sheehan was caught trying to make third when La-Brand dropped a pitched bail for a minute and Nance hit into a double. Duncan has two new outfielders, Nance, an old timer, who formerly played with Toledo and who is quite a hitter, and Bressler who played with Williamsport in the Tri-State league. Corbett did the throwing for Sioux City double. men up, hit for singles, but Sheehan was

and he was hit hard at the start, but ifterwards tightened up and pitched great sall. In the opening inning Belden flew out o Noblit and Franck walked. Chickering oft for a nice double, which put Franck on hird, when along came Welch with a fly o Nance, on which Franck scored. Autrey abided his time until Joe Dolan sent him cross the plate with a double, making two uns for a starter. In the second inning Omaha made two singles, but Belden and Franck flew out to the outfield and no scoring was done in that inning.

Autrey opened up the third inning with his second double of the day and scored on Welch's single, the doctor going to second on the throwin. Dolan flew out to Nobilt, but Welch advanced a base on Graham's infield out and came home on Austin's twoascker. From that time on Mr. Corbett lightened up and Omaha made no further scores. The nearest was when Welch walked in the fifth, was sacrificed to second and stole third. He stole third because Sheehan did not think he would have the nerve to try and was not watching for the steal. Austin walked and then he and Welch tried for a double steal, which did not work, Welch being caught nt the plate.

The game was characterized by clean fielding and the absence of any wrangling. Not an error was made by either side and the Eagles all got their money's worth. The same teams this afternoon.

Beer Prevents Dyspepsia

America has been called a nation of dyspeptics. Were we to drink more beer, there would be less dyspepsia. Where beer is the national beverage dyspepsia is little known. For years Pabst has recognized this food principal in brewing

Notes of the Game. A fast double by each team shut off pros-

ctive scores.

Duncan is trying to get a catcher for his Sloux City team. He has wired to get Townsend or Zalusky from Grand Island. Spies has quit the game, leaving Duncan with but one catcher. Conshan was badly bruised, especially the knee, where Murphy hit him with the pitched ball, but he worked behind the bat and called upon Pitcher Hall of the Omaha team to make hase decisions for him.

Lincoln Wins a Tight One.

Lincoln, July 18.—Lincoln won from Des Moines today in one of the closest and best pitched games of the season, not a run being scored by either side until the eleventh inning. Both teams had a chance to score before the eleventh, but hits were not forthcoming at the right time. Des Moines' best chance came in the seventh. McLear reached first on an error by Fox. McLaughlin hit a slow one and McKay threw over Fox's head, who was covering first base. This enabled McLear to reach third, and none out. Hogriever sent a fly to Fenion, whose quick return of the ball kept McLear on third. Dexter then struck out and Andreas flew out to Fenion. Through a combination of circumstances in the eleventh Des Moines scratched out one score, after having three men on Lincoln Wins a Tight One. one score, after having three men or bases. RACE IN THE WESTERN LEAGUE

Omaha Doing Best Work, and All

Teams Hustling.

Just at present the race in the Western league is about the hottest in the country. The teams are ill in good condition and cach game that is played goes to the limit for such contests. Even Pueblo, last in the standing, is not entirely out of the running for the pennant, and the team that wins has to fight for every inch of the way. Omaha doing probably the best work of any, and its recent performance is better than has been produced this season in the league. Up till yesterday, of the last eleven games Omaha had played the Rourke family had won nine and ited one. This against four clubs, Lincoln, Denver, Pueblo and Sloax City. The one game lost went to Pueblo, and the tie was the seventeen-laning contest between Omaha and Pueblo. Six of the games won were shutouts, and of these Denver suffered three. The fourth Denver game would also have been a shutout but for an unfortunate must and succeeding had throw from the outfield. Pueblo scored one run in its last inning here simply because a ball was not accurately thrown from the outfield. Since the team came home three visiting teams have appeared, and up to last night they had secured seven runs, five of them in one game. All of which is going some.

On Sunday afternoon Omaha will meet Des Molnes for the only Sunday game the Champions have had in Omaha in two seasons. A double-header will be played and there is quite a bit of wise money about the town that wants to get down on the proposition that Omaha will win both ends of the present of the season. It is necessary that the result should be this way, for the last visit to Des Molnes was a testa description. Teams Hustling.

seision that Omaha will win both ends of the session. It is necessary that the result should be this way, for the last visit to Des Moines was a triffe disastrous, the Cham-pions getting three out of four, which was never intended. This leaves the season's record 3 to 6 in favor of Des Moines, there-fore Omaha will just have to win both Sun-day in order to even up.
