111 LOTS WEST

We were very fortunate to make a good deal for III lots in Briggs' Place, as you may have read in the news items last week. Cheap lots handy to the Farnam carline are scarce and we venture the statement that no such bunch of lots within 12 minutes' ride of the heart of Omaha on the Farnam carline can ever again be bought at the price we are going to put these on the market at. These lots are scattered, but there are some bunches suitable for people who want two or three lots together. They face on Harney, Farnam, Douglas, Dodge, Capitel Ave. and Dayenport St. and extend from 42d to 48th St., near Dundee. Some are on grade, some high, some low; all kinds. A great many have city water, sewer, gas and permanent walks and yet we are going to sell them at an average price of \$300. Our plats, giving location of the III lots, with prices and
