

GRAIN AND PRODUCE MARKET

Prices Are on Decline and Little Strength is Shown.

CROWD DUMPS ON BAD NEWS

Disappointing Foreign Cables and the Absence of Damage Reports from Northwest Cause This Action.

OMAHA, July 26, 1907. The market was on the decline and little strength of support was shown.

Disappointing foreign cables and absence of further damage reports from the northwest caused a crowd which went long over night to dump its holdings.

Wheat was weaker on lower cables and news reports that the northwest was practically no buying. The crowd was long over night and sold on the decline.

September wheat opened at 85c and closed at 84c.

Corn opened weaker with wheat and cooler temperature in the corn belt caused an easier market.

Options opened weak in sympathy with other grain and there was a small decline.

Local range of options: Wheat—No. 2, 83 1/2; No. 3, 82 1/2; No. 4, 81 1/2.

Chicago Grain and Provisions Features of the Trading and Closing Prices on Board of Trade.

CHICAGO, July 26.—Prices of wheat on the board of trade declined when the market opened.

The market opened weak on the generally favorable weather prevailing.

There was very little trading in oats and the market was easier, owing to the weakness of wheat and corn.

Estimated receipts for tomorrow: Wheat, 50 cars; corn, 170 cars; oats, 77 cars; hogs, 100 head.

Wheat quotations were as follows: No. 2, 83 1/2; No. 3, 82 1/2; No. 4, 81 1/2.
