NAVY CREWS ON THE HUDSON

Eight and Four from Annapolis Will

Row Next Year. ANNAPOLIS, July 27 .- The navy will en ter at least one crew in the intercollegiate boat races at Poughkeepsie next year. It is also probable that a four-oared crew will also be entered. A third crew, a plebe eight, may be a third entry for the middles This crew, if entared, will compete with the freshmen crews of the other colleges The naval academy rowing authorities are fairly wall satisfied with the showing made by the senior eight this year and it is understood unofficially that the Navy department was also satisfied and will look with favor on its competing again. The rowing department of the Navy Athletic association is more than satisfied with Glendon as a coach. He will be in charge of the crows next year and will be at the academy during the late summer and early fall for the purpose of developing any promising rowing material there may be in the plebe

A good liniment or plaster, or some good home remedy will usually give temporary relief from the pain of Rheumatism, but the disease is more than skin deep and cannot be rubbed away, nor can it be drawn out with a plaster. Such treatment neither prevents nor cures; the excess of acid, which produces Rheumatism, is still in the blood and the disease can never be cured while the circulation remains saturated with this irritating, painproducing uric acid poison. The trouble will shift from place to place, settling on the nerves and causing pain and inflammation at every exposure or after an attack of indigestion or other irregularity. When neglected or improperly treated, Rheumatism becomes chronic and does not depend upon climatic conditions to bring on an attack, but remains a constant, painful trouble. S. S. S. drives out Rheumatism by neutralizing and expelling the excess of acid from the blood. It purifies and invigorates the circulation so that instead of an acid-laden stream, constantly depositing uric acid in the joints, muscles, nerves and bones, the entire system is nourished and made healthy by rich, life-giving blood. Book on Rheumatism and any medical advice desired will be sent free to all who write.
