Offices.

DESK room on first floor at 1212 Farnam. fD FLOOR, well lighted; elegant for office use 1212 Farnam. (15)-440

FOR RENT-Desk room in Bee office, city hall building, 417 N. Eth St. South Chair. Apply to manager. (15)-134

It is very seidom that good outside space in a well appointed office building is available. At the present time we have a beautiful suits of two rooms on the fifth floor, with east and south light, a large vault, which makes this a most desirable space during either summer or winter. We have a good small office, laxis, on the sixth floor, facing the court, for \$15.

Room No. 35 is 9x15 and a desirable space on the court for \$12.

Room No. 519 is 3x15 and a desirable space on the court for 512.

Everybody in Craaha knows the location of the Bee building: A is central, close to the city half and county court house. There are several hundred people who spend more time here than in the homes and any one of them will theirly as to the care they receive here.

TALK OF CONCRETE BRIDGES

Bids Asked for Two Over Indian

Creek to Be Received August 19. MAYOR ADVOCATES THE PLAN

Bellef is Expressed They Will Be Cheaper in the Long Run Than Steel, as the Latter Need Constant Repairs.

If the initial cost is not too great the everal bridges across Indian creek will be gradually replaced with concrete structures. This has been practically decided by the city council. As a starter in this direction. ids have been asked for the construction of two reinforced concrete bridges with reaining wails, at North Eighth and Frank

The bids have to be in the hands of City lerk Sapp by noon of August 19. The byidges at Eighth street and Frank street are subjected to much traffic and onth are in need of extensive repairs. In fact, for several years a new bridge has been needed at Eighth street, the construction of the present one making it a dam will be held at noon at the family restreek. Mayor Macrae is a strong advocate less at the German Lutheran entirch, of concrete bridges and it is at his urgent which Mr. Kraak was a member, before aggestion that the council has decided the body is taken to the train. secure figures on this class of bridge. The present bridges over Indian creek

re in constant need of repair, involving heavy annual expense. This is especially ground floor, opposite Nebraska Telephone rue of the bridges at Frank, Bryant, Main building, 15 Scott street; central location; and North Eighth streets.

Krug Park Sees Great Throng

Assemble to Hear Splendid

Dues and his band drew the largest attendance Sunday for any Sunday this season at Krug park. During the closing 1906-7. days of the return Duss engagement the people of Omaha are awakening to the rare musical treats that are being afforded by this incomparable organization. The selections on the afternoon and evening programs and the superb rondering of the same charmed the thousands present, and nearly every number was oncored, Mr. Duss responding cheerfully to the demands of the two large audiences Two people were present, Mr. and Mrs. Sweet of Chicago, who had undertaken a fourney of 1,000 miles to hear Mr. Duss and his band. They did not miss one of the concerts at Riverview park during the recent Chicago engagement. They decided to spend the week-

end in Omaha, so they came here Satur

coats was \$7.25 in 1905, \$7.50 in 1906 and 19 in 1907. The figures on coal consumed at the various institutions do not tell the story. Mr. Cownie of the board estimates that the prices of coal have gone up about an even Si a ton during the last few years. The figures show more or less of an irregular increase for lump coal, but the board has now changed to steam coal for most of the institutions whenever steam coal is to be had. A little lump coal is bought for each institution because lump coal is the only kind that can be stored and a supply for emergency use must be kept at each sented at the Krug park box office, by a the like. Steam or slack coal cannot be lady, will be honored for admission when stored because of its liability to catch on accompanied by a person holding a paid fire by spontaneous combustion. But bebeing always the same the figures do not day will be patrol and soloists' night, and tell the story of the increase in price. The until a late bour.
