It is very seldom that good outside space in a well appointed office building is available. At the present time we have a beautiful suite of two rooms on the fifth floor, with east and south light, a large vault, which makes this a most desirable space during either summer or winter. We have a good small office, 15x15, on the sixth floor, facing the court, for \$15. Room No. 619 is \$x15 and a desirable space on the court for \$12. Everybody in Omaha knows the location of the Bee building; h is central, close to the city hall and county court house. There are several hundred people who spend more time here than in their homes and any one of these will testify as to the care they receive here.
