SUM TO AS GOOD ADVANTAGE?

Here's the plan: Select one of those beautiful lots in Halcyon Heights, the finest and most sightly location for a future home or investment, only two blocks south business center of Benson and Military avenue car line; pay \$15 cash and the balance \$5 or \$10, or such amount as you can spare monthly, and in a short time you have an investment better you have an investment better than a bank account, for it can't get away from you, and the lot is rapidly increasing in value. You are therefore in position to obtain a loan to build a home or at any time the lot is rapidly increasing in value. WHAT ANOTHER PUR-CHASER THINKS OF KEYSTONE PARK.

OMAHA, Neb., July Z. 1207.

Payne Investment Company, Omaha, Neb.
Gentlemen: Answering your inquiry as to
why I bought tot No. II, fourteen acres, in
KEYSTONE PARK, will say that I had in
mind getting this property for a future
suburban home. My idea is that this piece
of property will provide me a living later
on and make a very desirable home.
I have put a fine, new Model High Carbon
Spring-Steel White Enamel Woven Wire
fence all around this acreage and intend Spring-Steel White Enamel Woven Wire fence all around this acreage and intensi to plant the entire tract with fruit trees of all kinds, such as cherries, plums, apples; also grapes, strawberries, raspberries, blackberries, currants, gooseberries, etc., and will build a home there later. In ten years from now I figure this piece of land will be worth \$1.000 per acre. I believe this bests paying for a home in town all to pieces. Your truly,
