Mother Of Ten Always Kept Cuticura Ready for Children's Skin and Scalp Troubles.

"I wish to add my voice to the praise of Cuticura Remedy. I am the mother of ten children whose mother is dead. In our homes in England and America, she kept in her little medicine chest, a jar of Cuticura, and often used to use the Cuticura on her children, and they enjoyed the feel of remiss in Cuticura. These children are all grown and scattered, and I cannot recall any specific cases of ours, but I do know that Cuticura is remarkably fine in doctors' hands. W. J. ## CITY COUNCIL PROCEEDINGS

New Ordinance Introduced for Opening of Twenty-Fourth Street.

CORRECTS ERROR IN OLD ONE

Council Takes Recession Until Thursday Morning, When it Will Meet to Pass on the Monthly Payroll.

The city council held a short, but busy, session Tuesday night. The only important measure to come up was the ordinance to correct the error in the ordinance for the opening of Twenty-fourth street in front of Congress college. This was read the first and second times and referred. Another ordinance was for the purchase of a number of lots in Mayne Place for park purposes. These lots are in a depression and will be improved by the Park board.

The council did not adjourn, but took a recess to Thursday morning at 8 o'clock, when the monthly payroll will be presented.

A communication from Fred Brown, offering to deed a tract of land fifty feet wide from the south line of George's addition to Binney street was referred to a committee. The offer would have the effect of opening Twenty-fourth street fifty feet wide upon the cancellation of taxes assessed at \$200, but the land could only be used for street purposes.

Councilman Bedford introduced a resolution as follows:

Resolved, That the city engineer be instructed to notify the street railway companies that they are prohibited from the extension of Thirtieth and Forty-second streets or stock it with bulldozers and plant weeping willows to protect them.

The resolution was unanimously adopted. William A. Higgins was named in place of Benjamin Robinson on the board of appraisement for the extension of A street and G. A. Scott, G. F. Shepard and John McCallister as appraisers for the opening of Webster street.

The ordinance for the opening of Twenty-fourth street was voted and the vote sustained, after Chesser had made a speech concerning the old ordinance.

Gas Commissioner Reports.

The report of the gas commissioner showed the result of recent tests in that office.

The Park board requested the purchase of certain lots in Mayne place for park purposes.

Appraisers reported damages of \$100 for the opening of Hickory street from Seventeenth to Eighteenth street. Haussner moved that the report be rejected and this was done after Haussner had voted against his own motion and corrected himself.

The report of appraisers on the opening of Paul street from Twenty-first to Twenty-third was referred to the committee of the whole. The report carried \$100.

An application was received from the League of American Municipalities requesting the council to send delegates to the convention to be held in Norfolk September 18 to 20. Councilman Haussner wanted the mayor, comptroller and three councilmen to be sent at public expense. The matter went over until Monday.

The Real Estate exchange requested the council to have street signs placed at all corners where there do not now exist.

Members of the street cleaning department asked for an increase in wages from \$100 cents an hour to \$120 cents and the matter will come up before the committee of the whole.

John G. Willis protested against the continuation of cutting along the lots and the paving committee will consider it.

Petitions were received for paving Hamline street from Twenty-fifth to Farnam and Twenty-eighth street from Dodge to Davenport.

A petition was received from a large number of taxpayers asking for a water trough at Thirtieth and Chicago streets.

The rate of assessment was authorized on one judgment in the sum of \$100 in the personal injury damage case brought by Helen Goodman.

Bids were requested for the purchase of the house on 4th block St. Germain Hill addition.

McKay & Carlson were awarded the contract for the construction of a storm sewer on Leavenworth street from Twenty-first to Forty-second street.

## Gund's Peerless Beer

is America's favorite family beer, because it contains nothing but the pure essence of barley and hops. It has been conscientiously brewed for half a century by the celebrated "Gund Natural Process"—a process that retains to a most wonderful degree the fine flavor and life principles of the rich grain and the imported hops. In fact it is "a liquid bread" of high food value—also a digestive and thirst quencher.

Prof. Dr. P. Bauer, Berlin, Germany says: "The water in beer quenches the thirst, the carbonic acid refreshes, the extracts are nutritious, the alcohol 3½% furthers digestion, the mineral salts build up the bones and the extracts of hops act as a tonic."

**Peerless**—Bottled only at the brewery and has always been a beer of commanding superiority. Ask for it if you would have the best going. Sold everywhere. A fine home beer. Order a trial case delivered this very day. Delicious, invigorating, sparkling, snappy.
