First Showing of New Fall Dress and Walking Skirts, Monday-"Bonwit Models"

Howard,

Open Saturday

Illinois road was a party, which is described as a tariff on "classes and commodities between Chicago and East St. Louis" and which also showed the rate on oil to be 18 cents. The court held that its effect was to exhibit to the general shipping public a rate of 18 cents on oil from

Tariff Sheets Withheld. The court then recites that on July 7, 1903, one day after this tariff became effective, the castern Illinois company, apparently recognizing that the effect of this tariff was to nullify the 614-cent rate shown sumed that in this jurisdiction these laws at once or whether the full time allowed cents per 100 pounds on oil from Chicago to East St. Louis and which was embraced actions. Let an order be entered for a within the general class tartif referred to. This amendment purported to cancel the \$4-cent Whiting-East St. Louis off rate shown on the tariff filed with the commission in October, 1896, and named a commodity rate on oil of 6% cents per 100 pounds from Chicago and Dalton Junction, Ill., to East St. Louis. However, this amendment No. 1 was not filed with the Commerce commission until March, 1906, one year after the expiration of the period covered by the indictment and nearly three years after its issue. In view of these facts, the court held that the Eastern Illinois situation could not serve the purpose of excusing or palliating

Holders of the Stock. The court then reviews its action in stock of the defendant Standard Oil company of Indiana. This demonstrated that seld by individuals for the stockholders of the Standard Oil company of New Jersey, which has outstanding stock of approxi-

defenses offered by counsel and says the officials connected with the two companies. the probability that proceedings would be nominal defendant is the Standard Oil company of Indiana, the \$1,000,000 corporation. The Standard Oil company of New Jersey, diana corporation is owned by the New cated by this recommendation of Judge whose captital is \$100,000,000, is the real de- Jersey company, and all other information Landis was generally regarded as of the fendant. TWO HUNDRED SHIPS OF WAR

Great Britain's Home Fleet Reviewed by King and Queen.

SIXTY BATTLESHIPS ARE IN LINE Edinburgh castle and even wrung smiles

Magnificent Speciacle on the Solent Viewed by Thousands-Eleven Miles of Fighting Steel.

PORTSMOUTH, Eng., Aug. 3.-The 200 ships of war constituting Great Britain's to find them wearing them." home fleet, paraded before King Edward and Queen Alexandra today on the Solent, and incidentally furnished a magnificant pageant for the opening of the annual lower regatta week.

Spread out in seven long lines between the Isle of Wight and the Hempshire shore this splendid array of vessels, great and small formed a floating steel city with a population of 35,000 officers and men. Never before have so many British men-of-war een seen together under the control of a single admiral. From the battleship Dreadnaught down to the smallest submarine every vessel was dressed from stem to stem with flags. The crews were assembled on deck and as the king and the queen on board the royal yacht Victoria and Albert passed down the lines each ship's company gave a rousing cheer. For cleven miles up and down the king and queen steamed between steel walls.

This gathering of warships forms the ecently organized home guard section of the British navy and the government and and doubles, also to the winners of singles the admiralty are so proud of the as, and doubles in the consolation rounds. semblage that they departed from the usual rule about visitors and threw the entire tournament in the state, aside from the fleet open to the critical inspection of the Middle West championship at Omaha, and it is claimed that the Overland Express public. KRUG PARK FOR COMING WEEK

Caliendo's Venetian Band and the Wise Memorial Hospital The Associated Press says Mordecal Brown probably never pitched better ball than he did Friday against the Giants, let-Piente.

Caliendo's Venetian band has been seting them down with four hits and no runs. Only one base on balls prevented his pitching from being perfect. Mathewcured for one week and will be heard at Krug's park today at 4:30 and 9:30 McAleer and Griffith are said to be dick-ering for the transfer of Kid Elberfield to the Browns, where the obstreperous Kid has wanted to go for some years. Just where he would play on the Browns is not known, but if he would get off his high horse and come to earth he would add p. m. It comes here with the prestigo of successful engagements at Chicago, Kansas City, Memphis and other cities this season and the press of those cities speak of them in highest terms. The park is now in the full height of its floral beauty for this season, and the The Jonses are coming to front on the attractiveness of the flowers and plants, The Jones are coming to front on the big diamonds more than ever. First, there is Fielder Jones, the White Sox manager and center fielder; then there is the big first baseman of the St. Louis Browns: Detroit has its D. Jones in left field and Washington its C. Jones in center. Yes, and Lincoln has its Johnny in the box. together with the artistic arrangement of the beds and borders have called forth much praise from the large number of people who have visited the park during the last week and who heretofore have been infrequent visitors.

Every year the Wise Memorial hospital holds a picnic at Krug park for the bonefit of the work in which this hospital is engaged. The event for this year will occur on Wednesday of the coming week, August 7. A very active committee headed by Mr. M. Meyer, is in charge of the arrangements. They are preparing an entertaining and exciting program of sports and valuable prizes will be contested for. A large number of tickets have already been sold, insuring a big attendance at this popular annual outing for the benefit of one of Omaha's most deserving institutions.

The Bee Want Ade Are the Best Business

Unable to Take Snapshot of Kilted

EDINBURGH, Aug. 3 .- (Special.)-The

the leader of the party, and then, of course, shines The sentry, who could not turn bis gun on them and shoot them, paced up and down with unmoved face. They scattered themselves along his line of route. Two or a pretty brunette, "for in this dull light I The sentry, of course, heard, but heeded not at all. "Say." cried two or three charming voices, "will you hold up for a mo-

slightly increased his pace. A Highland soldier is ordinarily not a man to be trifled with even by charming girls, so they tried

An all-around man should be on the square.
Give the devil his due. If you don't there's the devil to pay.
People who are suspicious always find what they are looking for.
The girl who makes hay while the sun shines lan't afraid of freckles.
Some people are so narrow-m'inded that they can't even take a broad hint.
Marriage used to be considered a lotter, but now it seems to be a game of skill.

Of course success is largely a matter of luck, unless it happens to be our success. The best years of a man's life are those that come after his best years have been wasted. In spite of the fact that there is no such thing as the biggest half, most people want it.

A woman may be as young as she feels.

is generally older than she thinks
