Wool Market.
BOSTON, Aug. 6.—WOOL—The volume of transactions in the local wool market continued large, although the surface indications are seemingly quiet. Several large sales have been made to prominent New England manufacturers and prices are strong. Fine grades of wool are still in principal demand and prices are strong. Washed Ohio Delaine is reported as self-ing as high as 40c. In some instances half-blood is preferred to strictly fine mathematic prices are strong. Washed Ohio Delaine is reported as self-ing as high as 40c. In some instances half-blood is preferred to strictly fine and three-eighths blood. The demand in territory wool is firm and active, particularly half and three-eighths blood. The demand in territory wool is has been completed. Prices in fine wouls are firm and unchanged, but trading is blood. S2@32c; quarter-blood, 2000 \$30. Foreign Financial. LONDON. Aug. 5.-Money was in fair inquiry in the market today and rated wore casies, due to disburgements of ex-chequer bonds and dividends amounting to 515500,000. Discounts were firm. The Bank of England secured \$500,000 of the \$6,000,000 in gold available in the open market. The remainder was taken for the continent. Trading on the Stock exchange was quiet and prices were irregular. The only fra-fure was a decline in American securities following yesterday's movement in Wall street. Later prices were marked up half a point above parity, but the improvement was not maintained. A reaction occurred in the afternoon and it was accentuated
