Is a fire proof constructed building, having a great number of fire proof vaults, without a boiler room in the basement to increase the danger. We take every precaution to guard against loss by fire. There are two connecting offices on the fifth floor for rent, one room is 20x30, the other 7x20. There are four large windows in the larger room affording plenty of light, and this room has a good vault also, making this combination of rooms the most desirable in the building.

On the sixth floor we have two small rooms which can be rented separately or as a suite.
