On This Basis Purchasing Ordinance is Recommended for Passage After Discussion Pro and Con.

The purchase of the Omaha gas plant, in he opinion of the city council, is the only solution of the gas question. "An effort to issue bonds for the con-

struction of a municipal plant only would

delay the solution five or six years or until the plant could be completed," declared Councilman Jackson at the meeting of the committee of the whole Monday afternoon. Others took the same view and when Councilman Sheldon moved to recommend the purchasing ordinance for passage the motion prevailed without opposition. At the same time, on motion of Jackson, the to the file. The two ordinances were presented to the committee by Chairman Funkhouser of the lighting committee with the statement that the lighting committee had no recommendation to make, although it believed both ordinances could be passed and then, if the bond propositions both carried, one could be used as a club on the gas company. Discussion of the two propositions lacked interest and apparently few of the councilmen knew what they were voting for when the purchasing ordinance was recommended for passage.

### Garbage Question Leader.

The earlings question occupied by far the greater part of the time of the committee session, Councilman Zimman and Health Commissioner Connell being the chief orators, and action on the proposed new ordinance by Dr. Connell was deferred until some changes concerning the designation of garbage could be inserted so as more nearly to conform to the views of all. The exchange of compliments between Councilman Zimman and Dr. Connell over the sileged similarity of the ordinance to the Denver ordinance were brisk and each characterized the remarks of the other at times as untrue. Dr. Connell insisted that his ordinance was practically a copy of the Denver ordinance with but a few slight and meaningless changes in phraseology. The alteration, insisted Zimman, was great secause of a regular construction of the definition of garbage to be hauled free, in the Denver ordinance it included all kinds of refuse, while the Connell ordinance only specified animal, vegetable and fruit refuse and required it to be separated from other garbage and ashes. Zimman declared that many of the councilmen voted for the orighal garbage ordinance and assented to the contract under the impression that all garbage was to be hauled free of expense to the citizens. After several readings of the Denver ordinance on motion of Councilman Funkhouser the entire matter went over for a week. Councilman McGovern warned the members that he would insist on everyone being prepared on garbage for the next meeting.

Twenty-Fourth Curbing.

Assistant City Engineer Crick reported that the curbing on South Twenty-fourth eighteen holes and they demand 50 cents. street had been inspected, a number of defects found and remedled by the con- BOB tractors and recommended that the final estimate be now allowed. President John- Crack Golf Instructor and Country son presented a similar report and moved to allow the estimate at Tuesday night's meeting.

The several sign ordinances came up for brief discussion. Attorney John W. Bat- Country club and as a result Bob Simpson, on behalf of merchants objecting to the street sign ordinance, asked that the city attorney be instructed to defer pro- members of the club expressed disapproval ceedings against violators of the ordinance until after the introduction and considera- he would not stay unless he could please tion of a new street sign ordinance to be everybody concerned. introduced tonight. designate the streets, was received and passed over until the next meeting. The fruitstand ordinance, removing fruitstands from certain sections of the business district, and the lunch wagon ordinance, requiring lunch wagons to be kept off the streets between the hours of 6 a. m. and s p. m., were both recommended for pas-

## No Juvenile Apparatus.

The city will not supply apparatus for the juvenile city playground this year. A petition from the juvenile city was presented by Director W. C. Fraser, who stated that the park board was favorably considering the proposition of establishing a permanent playground for the 1,900 juveniles now using the present grounds. He asked that the city supply the apparatus for fixing up the grounds. At the suggestion of Councilman Brucker, who declared that the city did not have enough money at this time, but would be in better shape next year, the petition was placed

The committee decided that all bids should be rejected for alley paving in districts from which objections have been filed, and that the contracts should be approved for districts from which no complaint has come. This was done after a few remarks by McGovern, who did not paper on September 1 and conduct it therethink a concrete base necessary for block paving in alleys. The districts in which bids were rejected are those for the alleys between Chicago and Casa, from Seven- by Mr. Hill, who is a veteran newspaper teenth to Eighteenth, and from Ninteenth man. to Twenty-first, and between Case and Calllornia, from Elighteenth to Twenty-first.

Northwestern Track. After some discussion the ordinance for extension of the Northwestern track along the west side of Thirteenth, between Davenport and Webster, to the side of the new freight depot, was recommended for passage. A petition asking for the reacinddistrict in block 12, original town, because the district is out of the \$.000-foot radius, went over for a week for investigation. A protest against the extension of Burlette street from Forty-fifth to Bird ave-

A motion to reject the report of the ap praisers allowing \$1,600 damages to three lots at the corner of Fifteenth and Pierce giroets because of the vacation of the west side of Fifteenth street for trackage purposes was carried and a re-appraisement

President Johnson's ordinance to allow the city gas inspector an assistant at \$50 with the negro and appears determined to per month was recommended for passage and on the report of the city engineer of sewer bids submitted it was recommended that the council award bids to lowest bid-

Challenge for Steer Roping. HARTVILLE, Wyo., Aug. 19.—(Special.)-Jim Williams, an expert steer roper from Texas, has issued a challenge to Angus McPhes, the world's champion, for a contest, same to take place either in Cheyenne, artville, Guernsey or Wheatland.

COUNCIL SAYS BUY CAS PLANT STRENUOUS DAY FOR YACHTS GRAIN AND PRODUCE MARKET Sunday Nearly Every Boat at Out-Off Lake Meets with an Accident.

The yacht Rambler, sailed by Latey, Bell,

Spetman, Lowe and Lily won the race at BONDS WOULD ONLY DELAY IT Cut-Off lake Sunday afternoon, the yacht Omaha coming in sec 4 and the Grevy third. Inefdentally the race was accompanied by a string of accidents that, while without serious results, put several boats out of commission. The yacht Trio, sailed by Messrs. Gamer, Hartman and Ayres tipped over, and the yacht Elste, sailed by Ed Larson and Harry Dildy, broke a stay and tipped over. The yacht Sapho, Wieson, captain, broke its mast, and the yacht Andover, sailed by Hayes, Miller and Dowl, broke a stay. The yacht Lark upset in front of the Rod and Gun club grounds and

Edmunds, were rescued by the launch Caroline. The race at Manawa Sunday evening between the Pottawatamie and the Argo was won by the former, but the sailors in the Argo, C. J. Weston, Carl Weston, Bert Miner and Ray Gould, received an unexpected ducking when their ship went over in a sharp squall. They rescued themselves ordinance to build a plant was consigned without much difficulty and nobody was hurt.

its sailors, Will and Ed Hogier and Charles

LAST OF THE OLD CABLES Pioneer Tracks Torn Up While New Electric Lines Are Being Laid.

The street railway company is forming the last link in the connection of tracks between Fortieth and Farnam and Fortieth and Cuming streets, which will give to Walnut Hill a through service via Farnam street. This link extends from Farnam to Dodge on Fortieth. It will be doubletrack to correspond with the new line from Dodge street on north to Cuming. The work of actually laying the rails has not yet begun, but the ties are in place and rail laying will begin as soon as posathle.

Coincidental with the laying of this new track the old cable tracks along North Twentith street that have been just under the surface for years are being torn up at last. This is a work of improvement for which property owners have longed. It marks the final passing of the old cables in Omaha and revives a world

### CADDIES DEMAND MORE PAY Country Club Kids Go Out on Strike and City May Be With-

out Golf.

There is blood on the moon! Strikes have become so popular that even the caddles at the Country club have caught the spirit and refused to work unless they get an increase in pay. The caddies went on a strike Saturday afternoon and left some very mad golfers on the links. The strikers organized and waged some lively fistic battles with the boys who insisted on staying at work, the situation getting so serious at one time that the marshal of Benson was sent for to drive the strikers from the grounds. They left to go swimming, declaring they would not work Monday or let any other caddles work. Those who go to the links this afternoon are wondering whether or not they will find any caddles there. The boys have been getting 30 cents for a round of

# SIMPSON QUITS

Club Members Have Misunderstanding. There is trouble in golfing circles at the

the crack golf instructor Chicago, has resigned. It is said certain of Mr. Simpson and he at once declared a promised to have a resolution to that poned in the hope of settling the unpleasantness in a satisfactory manner. Some of the golfers have circulated a petition askamended to apply to sale signs erected ing Mr. Simpson to remain and requesting on vacant property, and so amended was the board of directors of the club to use recommended to pass. Then a communication best efforts in getting the affair adtion from the Real Estate exchange, ask- justed in such a way that the club may ing for the erection of permanent signs to not lose its instructor. It is being signed by many of the members.

Collision Near Allyn's Point. NEW LONDON, Conn., Aug. 19 .- A headon collision at Allyn's Point, north of here, on the short line division of the New York, New Haven & Hartford railroad, between southbound passenger train No. 708 and a northbound freight train is reported. Several persons are said to have been hurt.

The Bee Want Ads Are the Best Business

Opening is Sound and Takings Are Quite Heavy.

CUT BIG EXPORTS Frost Temperature in the Northwes and Rad Weather Abroad Are Elements in the

Situation. OMAHA, Aug. 19, 1907.

OMAHA, Aug. 19, 1907.

The market opened in a sound position and on the present export basis takings were heavy. The weather in England continues unsettled, and with frost temperature in the northwest prices were considerably stronger.

Wheat opened strong and maintained the advance throughout the morning, with firm cables and unsettled weather being the principal features. September wheat opened at 17% c and closed at 78% c.

Corn opened strong and higher with general buying by commission houses.

Moderate receipts, steady cables and small world's shipments were the chief influences. September corn opened at 49 and colosed at 49% c.

Oats were firm on scattered buying and continued heavy demand. Threshing has been about completed in most localities and returns have been poor. September oats opened at 46% and closed at 46% c.

Liverpool closed % 45% d higher on wheat, and 46% d on corn.

Seaboard reported 12,000 bu. of wheat and 4,000 bu. of corn for export.

CHICAGO GRAIN AND PROVISIONS

Features of the Trading and Closing

Prices on Board of Trade. CHICAGO, Aug. 18.—A frost scare in the northwest and reports of a lively export business at the seaboard caused strength today in the local wheat market, the Sepdelivery closing at a net gain of Corn was up %c. Oats were 1/20 Provisions were 2/4/25 to 5@7/40

ignuc. Corn was up %c. Oats were 160 higher. Provisions were 24.05 to 5.07% o lower.

Prices were bullishly affected at the opening by higher quotations at Liverpool, which were due to decreased world's shipments for the week. Snow was reported at one point in Canada, and this increased the local demand. Reports of a heavy export business at the seaboard also aided in strengthening prices. The market closed strong and near the highest point of the day. September opened 4.07% higher, at \$44,000%, c. Clearances of wheat and flour were equal to 1,013,190 bushels. The amount on passage decreased 720,000 bushels. Primary receipts were 1,056,000 bushels, against \$30,000 bushels on the same day last year. Receipts of wheat at Minneapolis and Chicago were 603 cars, against 602 cars last week and 315 cars a year ago.

The corn market was strong all day on an active demand by commission houses and shorts. The chief bullish influences predicted were frost, a decrease in the amount on passage and the strength of wheat. The market closed strong at the highest point. September opened 4.0% where it closed. Local receipts were 197 cars, with fifty-one cars of contract grade.

The oats market was strong on reports of poor quality and small yields in the new crop. The advance in wheat was also a bullish influence. September opened 4.0 higher, at 454c, sold between 454,0454c and closed at 454c, Local receipts were 474.000 bushels as a bullish influence.

closed at 454c. Local receipts were 474 cars.

The provisions market was weak because of a 5470c decline in the price of live hogs. At the close September pork was off 2446 bc, at 15.7040.5724. Lard was down 56774c, at 18.82468.85, Ribs were 24466c lower, at 18.605.524.

Estimated receipts for tomorrow: Wheat, 373 cars; corn, 199 cars; oats, 419 cars; hogs, 19.000 head.

HOGS-Recelpts of hogs were very light this morning, only fifty-four cars being reported. Light receipts, however, were not sufficient to maintain the market in the face of lower advices from all other points. The trade opened very slow and dull and it was a drag from start to finish. The most of the hogs sold at 8910c lower than at the close of last week. When the trade was once under headway, there were so few hogs that a clearance was finally effected sometime before midday.

The decline today carries the market to a point that is very close to 20c lower than the market was at the beginning of last week. Week. Representative sales:

cars were direct to packers and not offered for sale. Of the stuff on sale at least two-thirds consisted of needers.

Fortunately for the sellers the offerings of fat stuff were not very large and hence practically steady prices were maintained, although the feeling on the market for killers was plainly weak, owing to the very unfavorable conditions prevailing at eastern points. Packers undoubtedly would have been giad to buy both sheep and lambs a little lower this moraning, but with moderate offerings and a fair demand they were unable to do so, hence it was fortunate for sellers that the offerings were no larger. In spite of the weak welling, good lambs sold very well, as high as \$5.56 being paid for quite a string of good to choice idahoes.

With facility the situation was different.

Idahoes.
With feeders the situation was different.
There were a good many buyers in the With feeders the situation was in the There were a good many buyers in the yards besides large buying orders in the hands of commission men, with the result that the feeder market opened both early and active. More than that the prices and active. More than that the prices and water anywhere from strong to loc and active. More than that the prices paid were anywhere from strong to lio higher than last week. Everything desirable in the way of feeders sold very readily, the offerings for the most part being cleaned up before 9 o'clock in the morning. A big string of good yearlings went to a feeder buyers for \$5.55.

Reder buyers for \$5.56.

Evaporated Apples and Dried Fruits. NEW YORK, Aug. 19.—BVAPORATED APPLES—Market continued quiet at recent prices. Frunes are in fair demand, but spot quot stons are unchanged. Apricots and peaches are dull and nominally unchanged. Raisins neglected, but with spot offerings scarce prices are well maintained.

Treasury Statement. WASHINGTON, Aug. 19.—Today's statement of the treasury balances in the general fund, exclusive of the \$150,000,000 gold reserve, shows: Available cash balance, \$227,729,364; gold coin and buillon, \$58,688,-159; gold certificates, \$75,923,460.

Omaha Clearings. OMAHA, Aug. 13.—Bank clearings for to-day were \$2,111,422 43 and for the correspond-ing date last year \$1,776,919.23.

CHEYENNE, Wyo., Aug. 19.-(Special.)-The annual meeting of the State Medical society, which was to have been held at Lander on September 2, has been postponed. Inability to get a number of the medicos to attend is the cause for the post ponement.

The Bee Want Ads Are the Best Business

ST. LOUIS, Aug. 18.—A long-distance telephone message from Victoria, Mo., states that George Patton, aged 61 years, died there yesterday as a result of a stab wound inflicted with a rusty bayonet by Captain S. J. Waters, aged 6 years. The two old army comrades got into a dispute in the Grand Army of the Republic hall and Waters seized an old rusty bayonet, a war troopby, which had hung on the wall for years and stabbed Patton. Waters is under

ADVANCE ONE TO THREE POINTS

Heavy Offerings Cause a Reaction but Most of Loss is Regained on Rally Near Close.

NEW YORK, Aug. 18.—First prices were fractionally irregular, but the market soon developed decided strength on a keen demand for the prominent stocks. By the end of ten minutes Great Northern preferred was up 24, Reading, Union Pacific, Northern Pacific, Amalgamated Copper, Smelting and Lead 2 to 24 and St. Paul, New York Central, Anaconda and Brooklyn Transit 1 to 14.

Frofessionals sold liberally on the rise and the market reacted in some instances from 1 to 14. A subsequent advance lifted prices to the highest again, and another interval of profit taking was without much effect on the list. New York Central, Canadian Pacific and Mackay companys preferred gained 2, and Sloss-Shefield Steel

preferred gained 2, and Sloss-Sheneld Bleel 234.
Concerted selling resulted in Union Pacific falling slightly below Baturday's closing and reduced the rise to a fraction in Reading, Amalgamated Copper, Smelting and other favorites. Distillers securities yielded 4½ and Northwestern preferred 8.

Speculative interest waned considerably and business was of a smaller volume than for some weeks. Prices eased off slowly, but the leaders retained about haif of their early advances. Chicago, 8t, Paul, Minneapolis and Omaha declined Piand International Pump preferred 2 points. Most o the ground lots on the reactions was recovered, the market selling close to the high prices of the morning. Union Pacific, Reading and Amalgamated Copper were the most in demand.

Registered Mail Robbed. CHEYENNE, Wyo., Aug. 19 .- (Special.)-The postal authorities are wrought up over strange robbery that occurred at mid-

night yesterday, when a pouch of registered matter was opened and twenty packages stolen. The register pouch was delivered to the postal clerk by the night force at the local office. The clerk signed for it and left the pouch with the other mail in the vestibule in the rear of the office while he hunted up the mail transfer man. The pouches were taken to the depoi and placed on a truck, while the clerk ate his break@ast. He did not discover the robery until he started to work the mail enroute east. The thief had removed the lock from the pouch, evidently using & key for the purpose, and then took the

Detectives have been working on the case, but thus far have failed to find a clue. The postoffice authorities are reticent and the value of the stolen packages has not been learned.

Governor and Senator to Attend. BONESTEEL, S. D., Aug. 18.—(Special.)— United States Senator A. B. Kittredge and Governor Coe I. Crawford have accepte invitations to be present at the Gregory County fair, to be held in Benesteel, September 17 to 30, inclusive. Governor Craws ford will be present on the first day of the fair (children's day) and will deliver an address to the children. Senator Kittredge will discuss the Panama canal on the last day, September 20. The fair association has just completed a new floral hall, as well as making many other needed improvements. The race track has been put in first-class shape and some good racing is

expected. Dedication of New Church.

SIOUX FALLS, S. D., Aug. 19.-Members of the Congregational church at Reliance have been officially advised by State Super intendent W. H. Thrall of Huron that next Sunday had been determined upon as the time for the dedication of a fine new Congregational church building which recently was completed at Reliance. An elaborate program is being prepared for the cocasion, which will be an important one in the work of the church in that part of the state. Reliance is one of the new towns on the Chamberlain-Black Hills extension of the Chicago, Milwaukee & St. Paul railroad, and is situated in the eastern part
