ROADS CONVENTION

Complete Program is Announced by Prof. MacDonald.

PRACTICAL WORK TO BE SHOWN

Addresses Cover a Wide Range of Topics in Connection with the Making and Preserving of Ronds.

Prof. Thomas H. MacDonald of the State ollege at Ames, who is secretary of the Iowa Highway commission, while in the city yesterday announced the complete program for the fourth annual meeting of the Iowa Good Roads association to be held in this city in connection with the street fair and carnival.

Speaking of the good roads convention and the "road school" Prof. MacDonald said: "We expect this to be the most infportant good roads meeting ever held in this state. The street fair and carnival will prove as usual a great attraction and will be the means of bringing many farm- Mr. Wickham, it was supposed the party In spite of all the confusion there was ers to the city whom the good roads convention alone would not draw here. Fiftysix per cent of the population of Iowa is agricultural. The farmers must be "shown" in the matter of road improvement before they can be induced to take hold of new ideas. An actual demonstration is necessary to show them that the Pottawattamie counties. The Pottawattamies are determined to retrieve their colors, which were dragged in the dust at

point delegates:
On the Srd and 4th of Sentember, 1967, there will be held at Council Fluffs the fourth annual meeting of the lows Good Roads association. At the same time and place the lowa Highway complission will held its third annual school of instruction for road efficers.

The subject of the betterment of our bledways increases in importance with

The subject of the betterment of our highways increases in importance with every year. If the actual loss suffered by the people of this state from had reads could be measured and stated, the amount would be stariling in its magnitude. The state has attempted, through its highway commission, to provide instruction in the science of read making, and it is very desirable that the township and county officers under whose supervision the taxes levied for read purposes are expended should receive the benefit of the knowledge collected by the commission.

I thereby earnestly ask the county and township officers, macfar as they possibly can, to appoint and send delegates to the meeting at Council Bluffs, assuring them that there is no one thing that they can do for the welfare of their counties and townships that will return richer rewards than a few days spent in promoting the cause of good reads.
