A BUSINESS MAN FOR A BUSINESS OFFICE

LOUIS N. GONDEN
for County Treasurer.

Business career of square dealing in this community for more than forty years.
Served in the union army during the entire civil war, and was promoted to first lieutenant upon recommendation of Capt. William McKinley.
Has worked and voted for the republican party for forty-five years.
Never held a public office excepting that of park commissioner, which was without compensation.
As park commissioner devoted his energies largely to the improvement of boulevards connecting the paved streets of Omaha with the improved country roads.
If you think an old citizen who has given his time freely to his party for forty-five years and to his countrymen in times of war and peace is worthy of an office for which he is fully qualified, your vote at the primary election next Tuesday will be appreciated.
Mr. Gonden is not endorsed by either of the "machines," but he appeals to the rank and file of the republican party to endorse him at the polls, feeling that he is the logical candidate of his party for county treasurer at this time.

POLITICAL CARDS

To Douglas County Republicans

I am a candidate for County Assessor, and respectfully solicit your vote and support. Have served the party on the Republican County Committee the last four years. During three of that time the committee's official headquarters were in my office in The Bee Building. During Mr. Cowell's two terms as chairman, was one of the executive committee of five that assisted in directing the campaigns. During Senator Gibson's chairmanship, was secretary of the County Committee. Am still on the committee representing my home precinct. During the three years the headquarters was maintained in my office, all the official positions in the County Court House were wrested from democrats and turned over to Republicans, with one exception. In addition to other duties, had charge of judges and clerks and registration under both chairmen. Also served the party as first assistant secretary of the Senate of Nebraska, 1905 session. I am not a member of any of the factional clubs. You will not find my name on any of the so called factional political slates. Have been a deputy assessor; a member of the appraisal committee (real estate) city of Omaha, resided in the county since 1881, and claim the ability to fill the office of County Assessor to the satisfaction of the rank and file of the taxpayers.

I think all loyal Republicans will agree that I have "made good" and am entitled to support for the office of County Assessor to which I am aspiring.

M. J. GREEVY

Republican Candidate for County Assessor.
