Joe Dolan's third hit of the day-his other two were doubles-did the business in the tenth inning, and won the game for Omaha. Sloux City made one run in the second inning and Omaha tied the score in the sixth, and thus it stood until the tenth, when Weish hit for a double and Dolan drove him home with a single be-tween short and second. The game was one of the best seen on the local field this NOBMENT

Sloux City started off with Engle in the box, but he had been eating watermelon for dinner and his stomach went back on him in the sixth inning and after that the Rourkes had Johnny Fisher, late of the Indianapolis team, to contend with. He pitched a steady game and Omaha was not able to do any business with his delivery until the tenth inning, when the game was ended with but one out.

Corbett Umpires Fine. Game. Brennan was scheduled to umpire the game, but he was hit with a foul tip at Sloux City and the ligaments of his arm so injured that he was forced to carry his arm in a sling and sat in the grandstand. Instead of having two players, one from each team, to do the umpiring. a new deal was tried. Captain Frank consented to let Corbett, one of the Sloux City pitchers, do the work, with the understanding that he was to stay in the middle of the diamond and call balls and strikes, and make base decisions and let the two catchers & cide on hits down the foul lines. This worked well, as Corbett tried to be fair and the catchers were called upon to make several decisions, and no kick was made on their work.

Slattery, the old White Sox and Milwaukee catcher, led off the second inning with a single and Manager Hart followed Both were advanced a notch by Granville's sacrifice and Slattery came home on Hart's out from Dolan to Graham, who was covering first. That was the only run the Bloux made, but it was one more than they made in two games off Ragan at Sloux City.

Dolan and Austin Do It.

Omaha's first run was made in the sixth inning. Dolan led off with a double, was sacrificed to third by Graham and came home on Austin's single over Granville's head. Gonding reached first on an error by Weed and trouble seemed to be brewing, but Ragan broke his bat on what he in-Omaha's first run was made in the sixth tended for a home run and the ball only went to third base.

The battle waged hard from then to the finish, Hart retiring Engle after that run was made and calling upon Fisher. The first man up, who was Mr. King of Mar-shalltown, hit him for a single. King was busy at the bat all day. He walked once, once and hit the ball once. He led at the head of the Omaha batting order, O'NEILL MAKES GOOD RECORD as Beldon was indisposed, causing a change

it attracted national attention, will have complete charge of all foot ball affairs here this fall. Mr. Warner's first assistant this year will be the famous Indian quarterback, "Jimmy" Johnson, who has just been graduated from Northwestern Dental college at Chicago. Johnson was the Carlisle captain in 1903 and was picked by Walter Camp as the All-American quarterback. Warner's assistant will be "Bill" Newman of Ithaca, N.
