SHOES

FOR GIRLS AND YOUNG LADIES SHOULD BE CORRECTLY FITTED

First of all we sell only those shoes that are of such quality that they feel comfortable the moment the foot is put into them. Secondly--we do not try to conform the foot to the shoe, but our long experience has taught us the art of proper fitting.
For girls and young women, we have a superior line of foot wear that is not to be compared with Misses' Shoes, \$2.50 and Young Women's Shoes, \$2.50 and \$3.00 and \$2.50

Get what you ask for. There are many reasons why you ask for advertised articles, but absolutely none why you should let a substituting dealer palm off something which he claims to be "just as good" or "better" or "the same thing" as the article you requested. The advertised article must of necessity be of the highest quality, otherwise it could not be successfully sold and the advertising continued. The buying public recognizes the superior quality of advertised articles. The substituter realizes that fact and tries to sell inferior goods on the advertiser's reputation. Protect yourself by refusing substitutes

Ground Floor Offices...

are scarce, especially in the center of the business district of Omaha. This fact is an indication of the growth of the city, as well as the volume of business which is being transacted. R. C. Peters & Co. were compelled to move into larger quarters and because we could not give them more space they rented elsewhere.
IS YOUR BUSINESS GROWING? Don't you want to be on the ground floor? Here is an opportunity to rent space that will please you and give you a chance to increase the volume of your business.

The Bee Building

offers for rent one room 16-6x10-6 and another 19-10x25-10 on the 17th street side of the building on the ground floor. There is a large vault in connection with these rooms and they can be rented as one large room or divided.
On the Sixth floor we have for rent three rooms facing 17th street and three rooms which are nicely arranged on the court.
On the Fifth floor is a suite of two offices, 22x20 and 7x20, with good light. There is a vault in the larger of these rooms.
We have other rooms for rent and would be pleased to have you call and let us show you through the building.
Remember you do not have to pay extra for light, water, heat nor janitor service here as it all goes free.
