Besides her husband, three daughters and jour sons survive her.

Charles T. Whitmore, \$28 Avenue G. aged 21 years, died last night at 11 o'clock of paralysis, after an illness of about eight months. He leaves a widow and one daughter, Mrs. M. C. Steeck of this city and four sons, John, William, Everett and Edward. Mr. Whitmore came to Council Bluffs about twenty-nine years ago from Omsha. He served in the civil war in the First Michigan cavalry and during his lifetime followed the trade of a painter. The funeral will take place from the residence at 3 o'clock this afternoon. Rev. James O'May will officiate. Burial will be in Fair-yiew-cemetery.

Ice Cream Cones-While attending the carnival this week try one of our Ice Cream Cones. It is made of cake batter and filled with delicious ice cream. After eating one we know you will be back after more. Ice creams cones manufactured by O. C. Brown, Purity Candy Kitchen, 546 Broadway.

Mason Wise Dead.

After spending the last eleven years of his life in the hospital, the greater part of the time paralyzed and totally blind, death came to the relief yesterday morning of Mason Wise, the veteran horseman, the Jennie Edmundson Memorial hospital. He was 71 years of age and is survived by three brothers, Peter Wise of Whiting, Ia., who arrived in the city yesterday; Mat Wise, living in Missouri; Jack, whose residence is not known, and one sister, Mrs. Margaret Jeffries of Queen

Mr. Wise had been a resident of Council Bluffs since the early '60's and was probably one of the best known horsemen in the west for many years until disabled by illness. He built one of the finest livery barns in the city. It stood on the present site of the exchange building of the Nebraska Telephone company on Scott

BIGGEST DAY OF CARNIVAL

Evening Attendance is Estimated at Thirteen Thousand.

Old Settlers Are Expected to Swell as the session progressed. the Crowds Today and Big Attendance Anticipated if Weather Continues Good.

"By far the biggest day yet," remarked H. H. Van Brunt, treasurer of the Street Fair and Carnival association, as he stood and surveyed the surging crowds on the park enclosed within the fence the streets within the carnival enclosure could not have contained the immense throng by any

Needless to state that with such a crowd all of the shows and attractions did a remendous business. At the Stadium hunireds were turned away, the big tent being rowded to its capacity at each performince. The same was true of the other attractions. At the dancing pavilion, hundreds walted patiently in line for a chance to take a whirl upon the noor.

There was no disorder despite the imo'May will officiate. Burial will be in Fairview cemetery.

An information charging Ernest S.
Stewart with being insane was flied yesterday by Attorney Fremont Benjamin. A
partial hearing was had yesterday afternoon before the commissioners and the
investigation continued to Saturday afternoon at the request of Stewart. Stewart
has been engaged in the real estate business and yesterday morning he was arrested on complaint of Wallace Benjamin,
another real estate dealer, who charged
him with making threats to extort money.
Stewart, who is partly paralyzed, is said
to be laboring under the delusion that
Benjamin and other real estate dealers are
withholding from him commissions to
which he is entitled. He was placed in St.
Bernard's hospital pending the determination of his case.

TRAINED ROAD BUILDERS NEEDED Engineer Dean Insists County Should

Have Charge. Wednesday, the session of the Iowa Good Roads association, scheduled from Dr. Campbell, president of the society,

wood, engineer in charge of the construct of papers. trained supervision was the crying need Grand hotel. in all the counties of the state and that the county should be the unit of all road and bridge work done throughout the state. Mr. Dean answered the natural question .25,681 to be obtained by stating that the state Mills and Fremont counties. The speak-

that is, if the counties would all have county engineers, etc. A. N. Johnson, state highway engineer

of Illinois, spoke on "Bridge and Culvert gave the name of W. J. Jackson, and Problems," and M. E. Bannon, civil engineer of Fort Madison, spoke on "Foundation Problems." The closing address was by B. Stanton, superintendent of roads of , Dallas county, who told of the work done in his county.

Following the general meeting a session of the association was held at which, on motion of Colonel W. F. Baker, all of the old officers were unanimously re-elected

for the ensuing year. They are: President-Henry Harlow, Onawa, Vice President-A. C. Steele, Coon Rap-Secretary-Thomas H. MacDonald, Ames.

Secretary—Thomas H. MacDonaid. Ames.
Executive Committee—Henry Haag. Jefferson; James G. Berryhill. Des Molnes; C.
F. Curtiss, Ames.
Superintendent of Grading Demonstrations—Henry Harlow. Onawa.
Superintendent of Concrete Demonstrations—F. L. Reeder, Tipton.

The selection of the place of meeting next year was left with the officers of the association. It was, however, suggested that it would be a good plan to hold the meeting and the road school of the Iowa Highway commission at Waterloo, where the State Associations of County Super-

visors and other county officers will be helds The road building and culvert demonstrations will be continued today.

Be Wise in Season. Order your coal now of the Council Bluffs Coal and Ice company. Either 'phone 72.

Council Looks Over Streets. The city council in committee of the whole went over the streets on which the street rallway company asks a right-of-way for its proposed extension to the School for the Deaf yesterday afternoon. The counctimen also looked into the matter of the right-of-way asked by the Great Western raliroad for a switch track across Seventh avenue to the factory of the Children Sons company. The committee, while favoring the granting of both petitions, decided to refer both back to the city council. Regarding the extension or reinforcement

tory, the committee decided to refer the matter to the finance committee, city treasurer and city auditor. If the funds are made as soon as possible.

MANY DOCTORS AT CONVENTION Twentieth Annual Session of Society

of the Missouri Valley. The twentieth annual meeting of the Medical Society of the Missouri Valley opened yesterday afternoon in the public CHILDREN OUT IN AFTERNOON library building at Council Bluffs with a fair attendance, which kept increasing

> In the absence of the president, Dr. O. Beverly Campbell of St. Joseph, who did not reach the city until shortly before 6 o'clock, Dr. Daniel Jackson, chairman of the local committee on arrangements called the meeting to order and Dr. J. M. Emmert of Atlantic, the only living one of the three doctors who signed the call called upon to preside. In a brief address Dr. Emmert told of the organization of the society and availed himself of the opportunity to pay a high tribute to the character of the late Dr. Donald Macrae,

both as a citizen and a physician. Dr. Donald Macrae, jr., was selected as emporary treasurer to fill the vacancy caused by the death of his father, and Drs. J. M. Barstow of this city and A. S. Von Mansfelde of Ashland, Neb., were added o the committee on credentials. These were appointed a committee to draft resolutions on the deaths of Dr. Donald Macrae and Dr. T. B. Lacey, both of this city: Dr. C. W. Fassett, Dr. A. S. Von

Mansfelde and Dr. C. B. Hardin, The report of Dr. Charles Wood Fassett secretary of the society, showed the membership to be 364, a gain of twenty-seven over the preceding year. During the year by death, one by resignation and fifteen for nonpayment of dues. Forty-six new law. members were enrolled: From Iowa, 15; Missouri, 5; Nebraska, 23; Illinois, 1; Kansas, 1; Ohio, 1. The report refers to the death of Dr. B. F. Crummer of Omaha, Dr. T. B. Lacey and Dr. D. Macrae of this city, charter members and ex-presidents of the society, as follows:

of the society, as follows:

The memory of these men will long remain with every fellow of the association, and the work which they did for the upbuilding of our cause is a matter of history. Dr. Macrae, as one of its founders, first president of our society and for many years its treasurer, gave the best years of his life to the cause of humanity, and his interest in our association and its work never waned. Up to within a few weeks before his denth, although unable to attend to his practice, he was deeply concerned in preparing for the present meeting of our society. His name shall be deeply graven upon the tablets of our hearts; peace to his ashes.

ashes.
"In love he practiced, and in patience taught The sacred art that battles with disease; Nor stained by one disloyal act or thought, The holy symbol of Hippocrates."

The society placed itself on record as favoring the creation of the government public health department, by adopting the

LAW TO BE TESTED IN THE COURT

Auditor Carroll Sits Down on Suggestion of a Fourth Term, but Possibly Mny Be a Candidate for Governor.

(From a Staff Correspondent.) DES MOINES, Sept. 6 .- (Special.) - An etfective method of handling the boxcar merchant trouble that city councils and state legislatures have been trying so long to solve is being disclosed in the pure food law. The retail merchants' associations of the state have taken the matter up, esfor the organization of the society, was pecially the grocers, and whenever a boxcar merchant strikes town they notify the state food and dairy commissioner and

> imposed for selling impure food. At Waterloo two men engaged in delivering groceries were arrested because they refused to sell samples to the state inspctor, Siegel 'Vendebogart. They were fined \$25 each, and, refusing to pay, were sent to jail. They have appealed to the

have an investigation. These investiga-

tions have resulted in some fines being

The boxcar merchants assert they are engaged in interstate commerce, but the state food and dairy commissioner says not. The custom is to take orders before the shipments. The shipments are then made to the town, where the packages are opened and the orders delivered. The original package idea comes into play. When the concerns shipping the goods in from society lost nineteen members, three out of the state break the packages shipped it makes the goods subject to the state

> Auditor Carroll effectually killed the sugstion of him as a candidate for a fourth term as auditor by declaring that he would not hear to the idea. He has been mentioned repeatedly with favor for governor and it is understood that unless he is a

candidate for governor he will not be a candidate for anything. Mixup in Church. Because Rev. Mr. Derdron insisted or raving a business meeting of the First African Baptist church when the members wanted to have a religious prayer and experience meeting, he was arrested today for disturbing a religious gathering. Mr. Derdron succeeded Rev. Mr. Lomack, who was many times in the police court here. Now the members insist he was not given full authority to act as pastor and had no right to insist on a business meeting

being held. He called in two policemen to help adjourn the meeting last night. Russian Family Tells Story. At 801 East Court avenue in this city resides a Hebrew family of mother and

MORE CHARGES OF FRAUD Pittsburg Attorney Says Many Other Indictments Are to Be Issued

Soon. PITTSBURG, Pa., Sept. 6.-Attorney Palmer S. Chambers, who has had charge of the dollection of the evidence for the Voters' Civic league in the alleged tax receipts frauds, announced today that there would be 200 additional indictments drawn in these cases. He said that these will the country, include men as prominent as those already

under indictment.

Grazers.

SACRAMENTO, Sept. 6 .- Luther Burbank, the expert on plants, was called on for an address at the National Irrigation congress. He told the congress of his experiments in trying to produce a thornless cactus. He had all but succeeded, he said, a lack of the nutrition desired being the only obstacle to be overcome. He predicted that this thornless cactus would become the great fodder of the arid region, quickly. About 200 tons can be grown per of the high nutrition is being assiduously pursued by Burbank and the grazing men will soon have some important news from

the wigard. A delegate asked Burbank if he had a secret of developing plant life and if the secret would die with him. He replied that he had no secret and that he was always

A resolution was introduced by the Outclub, through its chairman, Mrs. Lovell White, declaring that Niagara fails are menaced with destruction through the rapacity of the power companies located on both sides of the river. The resolution, which was referred to the committee on resolutions, urged that the congress approve the act of the American Civic association in its attempt to preserve unimpaired Ningara falls and urging congress to enact

necessary legislation. THOUSANDS OF EAGLES MARCH Annual Parade at Norfolk Brings Out Large Crowd at Conven-
