## S.S.S. ot HEALS

 The deep. underlying cause of every old sore is a bad condition of theblood. This vital fuid has become infected with some germu or poison which
prevents the place from healing
 strean from hereditary taints, or from the effects of a olong spell of sicknesi
leaving disease genus in the system. When the blood is In this condition
 ny good is one that removes the cause, and for this purcose nothing equal
s. .8. It beins at the fountanin head of the trouble and drivesout all germs
unurites and poisons, and then the place, being supplied with rich puin
