

Talks on Teeth

By E. R. L. MURPHY, D. D. S.

You Must Have TEETH!

When a man or woman is so unfortunate as to lose nearly all of his or her teeth because of disease or poor dentistry, it is time to listen to what we have to say.

Delays are dangerous. If the stomach is abused, it will not stand abuse very long. Then comes the worst of all trouble—dyspepsia.

When a man's stomach goes back on him, he has lost his best friend. He deserves pity. The whole trouble in nine cases out of ten is that he has not been masticating his food—because he has lost his teeth.

You must have teeth! Now for the bright side of the picture.

By the Alveolar method we can supply real teeth in the place of those that are lost—and put them in your mouth so they will act and feel like nature's teeth. We won't bore into the gums or hurt you. The work is practically painless. It can only be had in our offices. Patents have been issued for this country and six foreign countries.

If you have lost nearly all your teeth, or are a victim of pyorrhea, and are threatened with a loss of all the rest, we have a great message for you.

We can supply those you have lost with the Alveolar method and cure the cause of the loose teeth—pyorrhea.

If you can come to our office, we will examine your teeth without charge. If you cannot come now, send for our free book, "Alveolar Dentistry," which explains the method in detail.

Our charges are moderate—no higher than other first class dentists would ask for the simpler forms of dentistry.

We straighten teeth, cure loose teeth and tighten them—fill and crown teeth, and all such work is done by expert operators. Our work is guaranteed.

Dr. E. R. L. MURPHY,

Suite 509-510-511 New York Life Building, Omaha, Neb.

Formerly examining and consulting dentist with G. Gordon Martins, Inc.

Caution—We have secured rights and privileges to practice Alveolar Dentistry and can only be had at our office as above.

Gaiety is reigning supreme. Not even a hint is noted of a period of rest in which one might be refreshed for the winter campaign. Brides, victors and the college set claimed the leading interest of the week.

Just ended, and quite monopolize the brilliant event society is looking forward to is the Clark-Kloke wedding, which will take place "Wednesday, the best day of all," which has gone back to favoritism after a few rival nuptials of prominence selected Thursday and especially Saturday.

The latter is the day all days are used to be taboed. But Saturday has its advantages, especially for out-of-town weddings, by those who wish to have a more complete membership of the families than just the maids and matrons. Then, too, invitations have been issued for a large reception and dance to be given by Mr. and Mrs. Frank Colpetzer at the Country club Thursday evening in honor of Mr. and Mrs. Moshier Colpetzer, who will return today from their wedding trip.
