Lincoln Wins One and Loses One to the Teddy Bears, While Sloux City Gives Pueblo a Shutout.

DES MOINES, Sept. 14 - (Special Telegram.)-Omaha won the pennant yesterday and teday nalled it down by winning on game of a double-header from the locals. Clarke, as in the last game he pitched in Omaba, had all the better of his opponent so far as hits were concerned, but still could not win. Omaha made only two safe ones off his delivery, but his support was of a saffron hue, seven errors being made behind him. McNeeley was lit safely seven times, but he kept them scattered, and his support was of the best. The result was Omaha won the game 2 to 0.

In the second game the opposing pitchers were Big Gus Thompson and Tompkins. Big Gus, who was invincible in the last of the Omaha series, was touched up for nine clean bingles, netting six runs. Tompkins, whom Omaha drove from the box earlier in the week, held the new champs to three hits and one run.

DAKOTA WESLEYAN'S ELEVEN Coach Hardy Has Unknown Men This

Year, but is Hopeful. MITCHELL, S. D., Sept. 14.-(Special.)-With the opening of Dakota Wesleyan university next Wednesday the foot ball players will get out the pigskin and get work for the season of 1997. Coach Hardy has something of an unknown aggregation to work with this fall, several of the asplrants for the team being new men to the university, but with experience on the gridicon. There will be a change of three or four men in the lineup and the loss of one or two whose absence might make the team weaker. Last year's team quit with a good record in games won, having defeated Yankton, Chamberlain, Huron (two games) and Morningside, not one of whom scored on the Wesleyans. They lost two games, one to Brookings and Omaha one to Vermilion, both of which the Wesleyans wanted the worst way. Young Hardy, a brother of the coach, has been Pueblo elected captain for this year and he demonstrated good ability on the field last demonstrated good ability on the field last scason. LAST YEAR'S MEN COMING BACK

Enough for Two Teams Expected by Monday and the Easy Work is Already Well Under Headway.

LINCOLN, Sept. 14:-(Special)-The foo . ball squad at the University of Nebrask. is growing very rapidly and by Monday 'King' Cole expects to have at least two teams at work. Several of last year's stars are already on the ground. "Pip" Cooke, last year's whirlwind quarter, put in his appearance early in the week and is looking better than ever. Harry Minor, who played quarter on the Lincoln High school team two years ago, is his most formidable rival and the race for the position promises to be a good one. Minor has been out all week and is a promising place kicker. J. B. Harvey, last year's guard and center, denned the moleskin on Friday and expects to hold down his old position. "Pink" Mutters and Jack Rice, both last year's tackles, are in town and will be out in a suit Monday. With all these old men back "King" Cole and Captain Weller will be able to get things

Practice this week has consisted of the usual preliminary stunts, punting, falling on the ball and short runs, to get the men imbered up and their wind in good shape. This will probably be the program for the following week, as it is necessary that the nich get their wind in good shape before the hard work starts.

Training Table Trouble.

The training table problem is beginning to trouble Manager Elager again. The table will probably be started as soon as the scrimmage work begins. Last year it was set at a hetel, but this method has some undestrable features and the manager is considering quite seriously the advisability of operating it after the old plan and having a house of their own. The old method of running the table at a private house proved to be more satisfactory except that the expense was a little large.

The matter of assistant is also causing some apprehension. The foot ball committee which has the matter in charge will not be here until the first of the week.
