Ask Redress Against Insolent Station Agents in State.

MOHLER WRITES TO COMMISSION

Says Union Pacific is Giving Local Service on Fifteen Trains Every Day-Huntley Petitions.

(From a Staff Correspondent.) LINCOLN, Sept. 21.-(Special Telegram)sgents throughout Nebrasks. The com- passed any previous year.

met with insolent replies to their inquiries opera house. In quantity, quality and vaand that it is no uncommon thing when a riety the agricultural exhibit far surpasesd train is annnounced thirty minutes late to that of other years. The display of corn find eventually that it is four or five hours especially was magnificent. late. This causes them to hover about the The fruit and floral exhibit on display depot and suffer the inconvenience of a in the town hall was under the supervilong wait, when if the agent would give out the right information, undoubtedly in his the unfavorable season, the display of possession, they might plan their work fruit was especially good. Some of it differently or frequently get in a night's would be fine for any season. rest. They say that it is not uncommon on some of the lines to be told a train is late but a few minutes, and then hours after also good. find that it had been annulled. This has caused them untold trouble and all their pent up indignation is expressed in the

communication to the board. The traveling men also notify the railread commission that if the railread company complaining about their presence on limited trains will furnish them a chair car they will not inflict their presence upon the through passengers in the big sleepers and parlor cars, but will play pitch during their long journeys and will not even bother the conductor.

Quotes from Texas Law.

association quotes from the Texas law with recommendation that some of the Mrs. Roy Samson winning first prize. features be adopted to assist passengers in getting over the road. One section re- GERMAN LUTHERAN SYNOD MEETS man at the time. There was a report that quires a rallroad company to start a train from points of origin in accordance with Old Officers Re-elected and Steps the advertised schedule, and that said train, except from unavoidable accidents en route shall conform to the published for connections.

to be fixed by public notices, and shall fursengers who shall within a reasonable time Yutan, Neb.; secretary, Rev. C. previous time thereto offer to travel.

refusal by such corporation or their agents Rev. F. Gensicher, Leigh, Neb. About so to take and transport any passenger or property or to deliver the same at the regularly appointed time, such corporation shall pay to the party aggrieved all damages which shall be sustained thereby with costs of suit, etc.

Competent Disputchers.

Another section provides that every rallroad shall employ a competent train dispatcher, whose duty it shall be to keep informed of the movement of all trains, and it shall be his duty to keep all agents at stations having telegraph offices informed of the movement of all passenger trains due. It is also the duty of every railroad agent to ascertain thirty minutes before patcher and bulletin such information.

Mohler on Train Service.

General Manager A. L. Mohler of the MYSTERY IN BURNING OIL CAR Union Pacific has written the railroad commissioners a letter informing them of the road's recent order, admitting their through trains to local traffic. He says trains Nos. 1 and 2 have been put back with the restriction that only personal baggage be allowed on such trains, as the crews have no time under the fast schedules to handle anything else. This new order, Mr. Mohler says, gives the people along the road from Omaha to North Platte fifteen trains for local traffic, service which he thinks is not excelled anywhere. He hopes the pairons of the road will be satisfied. and he thinks that the change may be effected without destroying the road's through patronage.

Huntley People Object. Eleven business men of Huntley have

sent a communication to the rallroad commission, protesting against the present management of the old Kansas City & Omaha railroad, which was taken over by the Burlington in 1902. They refer to the tioned further, he could not give the name service furnished patrons as being a "tor- of his foreman. No accident occurred here ture," and inform the commission that the operated for passenger service as the "sour | the man would answer no questions rurther milk special." "the molasses limited" and than to say that there was just a little the "Daily construction train." They say accident. the trains frequently stop along the right of way for half an hour at a time to Buffalo county is now investigating the permit repair of the track, and that hogs, matter, passengers and freight are carried together on one train.

They ask whether the consolidation of the line with the Burlington was not il-
