GOOD MATERIAL AT BELLEVUE

Many New Men of Promise for Foot Bell Team.

The opening week of Hellevue college brought in some fine material for the foot ball team. Although several of the old-time stars were late in returning, the first of the week saw twenty new men in the field, ready to work with all their strength to make a place on the 'vatsity team. Coach Guy A. Crow, a man of much experience in the foot hall world, has been trying the men out with light work preparatory to heavy practice next week.

Among the new men are Enfield of Lyons

Templin and Morse of Nebraska City Racely of Pender, Mator of Lyons, Fuller and Johnson, all stars from their respective communities. The old men who have so far donned their mole skins are Kearns, captain; Carey, Phelps, Ohman, Sullenberger, Patton, Jones, Barry, a 'varsity man of '05. and Dow. Browne, the punter, and Saunders, the big guard, will be on the field Monday. Marvel, the fast end on last year's team, is expected next week. With Rev. Edward R. Curry of the Calvary the old men and the new ones striving for positions, the outlook is promising. Coach

Crow, with his experience and with the material he has, will undoubtedly make another championship team for Bellevue. The . Second race, the Hitchcock stake, steeple

team, as much of the new material is showing up strong. Those of last years 'varsity eleven who do hold their jobs on the line will have to hustle harder than they did last season. Practice was commenced on September 9 and has been going ahead ever since in spite of tho heat. The team is weakened some by the loss o' Livingston, captain-clect, who will not again be seen on the gridiron, except as at tackle last year and did much of the work for the Tigers last Thanksgiving when they played Kansas university to a standstill, the score being 0 to 0. Some of the old men who are back are: Frazier, whom much is expected; Axime, who wits

a standstill, the score being 0 to 0. Some of the old men who are back are: Frazier, who played full last season and from whom much is expected; Axline, who wis of the 'all class' team last year, ond of the best kickers at the school, and who will make somebody work hard to stay on the 'varsity this year; Tubby Graves, who is sure to be one of the tockles, a giant in size and a wonder in speed, spent his summer in the hay fields and is in fine shape. Rutherford the star quarter of last year, is on the field every day; Deathridge, Williams, Ristine and Rumley, all veterans, make up the back field, with Rutherford Miller, who played tackle last year, has been choisen captain in place of Livingston. The following men are very likely can-barrett. Baughman, Black, Buness, Du ver, Dumas, Ewing, Flagg, Griggs, Gibbs, Hackney, Holt, Jarmann, Johnson, Mar-row, Mount, Nee, Payne, Ristine, Sigler, Steed, Switzler, Crouthers. A Good Start is Half the Race

The best start toward a successful day is a dish of delicious, whole some Grape-Nuts food and cream, for breakfast.

The crisp, firm, "nutty" granules indicate firm flesh and crackling good humor. Its food value lies in the stored-up energy and tizsue repairing material in whole wheat and barley, so prepared by slow heat and moisture and subsequent thorough baking, that "all there is" in these cercals is retained and made perfectly digestible.

Let the meat go for breakfast and supper, take on Grape-Nuts in its place, and

YOU WILL FEEL

LIKE a NEW PERSON

A breakfast of Grape-Nuts and cream, toast, and a cup of wellmade Postum Food Coffee, will put you away ahead of the meat eaters at the start of the day's business, and the handicap will only increase the "gap" as the hourly "laps" are made.

By noon lunch will be relished and the digestive organs in fine condition to give you a good send-off for the rest of the day, and the thrill of a steady nerve and a succets-winning brain.
