TALK OF THE POLITICIAN

Yeiser and Dickinson Unload Burden on Judicial Committee.

VACANCIES MAY NOT BE FILLED

Several Democratic Lawyers Are Willing, However, to Accept the Nominations for the Adversizing in Them.

The retiring candidates for district judges on the democratic ticket have placed a bunch of trouble on the men selected by them to serve as members of the democratic judicial committee and there is considerable speculation existing on the ticket. A meeting of the committee will be held immediately to settle the point, as the tickets will be certified by the secretary of state in a few days to the county clerks of the various counties of the district.

COMMERCIAL CLUB QUARTERS

New Home Will Be Selected by the Entire Membership in Few Days.

The entire membership of the Commercial club will give an expression on the proposition of securing new club rooms within the next few days and the smallest membership in point of contributing to the club will have the same voice as the most prominent wholesaler or jobber.

Reasonable Rules For Rheumatics

Western Specialist Explains a Few Simple Rules for the Avoidance and Cure of Rheumatism, Kidney and Bladder Troubles.

Dr. George Edmund Flood states that Rheumatism and the various forms of Kidney and Bladder troubles are among the most easily curable diseases—that is, when they are treated in a sensible manner.

According to Dr. Flood, those persons suffering from any of these ailments should exercise the greatest moderation in the consumption of rich foods. Dr. Flood has met with great success in his practice in the treatment of these complaints, and he has advised all of his patients to substitute for such diet as we have just mentioned, the simpler and more nourishing soups, broths, fresh milk, fresh vegetables, and plenty of pure water.

But, says Dr. Flood, observance of these rules will not effect a cure, although such observance is necessarily the greatest assistance in the treatment. During all his practice, that is, in the treatment of Rheumatism, Kidney and Bladder troubles, this eminent physician has employed one simple prescription.

Field Extract Cascara Aromatic, 1/4 ounce Concentrated Barcola Compound, 1 ounce Anomelic Elixir... Adult dose, one teaspoonful after meals and at bedtime; children, one-fourth to one-half teaspoonful after meals.

BOY AND GIRL CURED OF SORES

Which Broke out on Face and Body—Medical Treatment Did Them No Good—Mother Cured Both Her Little Ones and Now The

WHOLE FAMILY JOINS IN PRAISE OF CUTICURA

"My son's trouble was running sores which first appeared on his face and then broke out all over his body. I tried a tried doctor after doctor for three months but none helped him. Then I was advised to try Cuticura. My drug-gist said that he could give me no relief that he had heard of. I got Cuticura Ointment and used it for a while. I was surprised to see an improvement. I treated the sores with Cuticura Ointment on soft bands after washing with warm water and Cuticura Soap, and gave him the Cuticura Pills. In two weeks he was almost cured, and after the steady use of Cuticura Remedies for two or three months I can now say that I have one of the finest boys in town, and I tell all my neighbors that he owes his health to Cuticura. Our whole family was all covered with sores on her face and body. I didn't waste much time or money with doctors, as I had done when my boy was sick, but used the Cuticura Remedies on her, and now my little girl is entirely cured. I send you her photograph to show how she looks after we used Cuticura. I know of several other cures which Cuticura Remedies have effected, including that of our domestic Miss S— whose face was covered with misquito bites which she scratched until they became a mass of sores and which she cured in notime with Cuticura Ointment. Our whole family joins in sending their thanks and praise for all that Cuticura Remedies have done for us. Res. E. H. Jones, 705 W. Madison St., Chicago, Ill., Nov. 3 and Dec. 3, 1906, and Jan. 24, 1907."
