BOYS' SHOES

Our \$2.00 Boys' Shoe is a prize. So parents think who have been buying them for their boys.

We selected good Casco Calf for these shoes, had them doubled soled and strongly made, looked after all the little details in making and sell them for the reasonable price of \$2.00.

Somebody, somewhere, may be selling as good a Boy's Shoe for the same money, but we're yet to see it.

An ideal location for law offices

A building opposite to the court house and next to the city hall is particularly convenient for members of the legal profession. The fact that one of the court rooms is in the Bee Building, also makes it a most satisfactory location. With a lawyer, time counts for so much, that any saving which can be made in going from the office to the courts is a distinct advantage.
