In short, no other city of this hemisphere, not even St. Augustine or New Orleans, so links the past and present-the old ers and the new, in American civilization.

Santa Fe is away from the main beaten paths of transcontinental travel. However, since the journey hither entails no sacrifice of the comforts which the twestieth century traveler is accustomed to the isolation is perhaps fortunate, inasmuch as it undoubtedly helps to preserve the priceless heritage of antiquity which is one of the most valuable possessions of this city of memories. Leaving the main line of the Santa Fe railroad at the hamlet of Lamy, the traveler pursues the final stage of his scenic splendors of this hour's ride prepare the visitor for almost any glories beyond. In point of attendance of work accomplished and of interest generally the meeting was exceptional. The presence of two national officers. Mrs. Stevens and Miss Gordon, contributed much serving as an inspiration to all present. The next meeting will be held at Hastings. Much disappointment is felt by many of the Omaha women that the convention failed to accept their invitation to the next meeting. Temperance Interest has been sadly lacking in Omsha until recently and for several years past the tocal union has had difficulty in bringing out any kind of an audience for the speakers they have brought here even these of national reputation. In view of this many of the local women felt that lding the state convention in Omaha would help to revive interest in temperance work especially as the Commercial club had co-operated with them in seconding
