aroused TROUBLE IN CHICAGO

Patrons Accept Situation Cheerfully and Banks Meet It with Tact. CHICAGO, Oct .28 .- very nulle trouble

was caused here today by the action of the Clearing House association in limiting the amounts of money to be paid out by the banks. Business was almost entirely on a checking basis and was ap-The panks adopted a rule of not paying out currency in amounts greater than

\$100 unless the funds were required for payrolls. If depositors desired money in excess of \$100 they were asked to take a cashler's check for the amount. In all savings banks the rule requiring legal notice was enforced if the depositor hished to withling an amount greater ever, and the banks imposed hardship on no one. Money desired for the payment of rent, insurance policies or for necessary traveling was paid out promptly. In cases where notes were to be paid the banks usually asked that the notes be presented to them for payment.

The only semblance of a run during the day was at the Hibernian Savings bank, where many depositors gave notice during the day of their intention to withdraw. These notices in the aggregate, however, were not of sufficient amount to constitute a run. At one time the Hibernian bank became so crowded that it was GRAND ISLAND BANKS FOLLOW found necessary to call upon police headquarters for additional aid in controlling the lines of the depositors who were intent upon giving notice to the bank, but there was no disorder.

Therefore, the most delicate stomach can handle Grape-Nuts and the food is quickly absorbed into the blood and tissue—certain parts of it going directly to build and nourish the brain and nerve centers. "Thore's a Reason,"

bought five posteffice money orders at the postoffice Saturday. Postmaster Palmer is of the opinion that the government will be able to pay cash for all money orders presented at the Omaha office and that there will be no run on Uncle Sam. Banks have already refused to cash money orders issued either by the Postoffice department or express companies.

EFFECT IN VARIOUS CHANNELS Rolls Will Be Met-Grain and

Real Estate. Pay rolls will be met in Omaha and al most without exception those who work will receive their envelopes when Saturday evening or pay day comes without inconvenience. Business men express the utmost confidence in the banks of Omaha to handle the situation with the aid of the larger depositors and mercantile houses of the city, which are co-operating with them. Emil Brandels of J. L. Brandels & Sons

"There is no cause for alarm. The action of the clearing house was taken simply to prevent the withdrawal of currency and coln from the city of Omaha. It is a precautionary measure as we view it. The city of Omalia and state of Nebraska are prosperous. Business never has been better, and while the scarcity of small bills may cause inconvenience, the situation will soon right itself. We will be pleased to PAYING TELLERS THE BUSY MEN take checks in payment for merchandise in our store without limit."

"There will not be another day like this," said J. H. Hamilton, president of the J. H. Hamilton company, cash grain dealers "We have been doing business with the Omaha banks for the last thirty years and know their methods are absolutely right, and we have the ulmost confidence in any methods they adopt for the protection of Omaha or Nebraska. Nebraska wheat is wanted in every country of Europe and the situation is held well in hand.

It is interesting to note that J. L. Brandels & Sons accepted \$17,000 in checks or national banks of Omaha Saturday from their customers. When Monday morning dawned they could not get the money for them, but deposited them in the national bank with which they do business, and received the credit on the books of the bank. Then Mr. Brandels said, "bring us more without limit."

Though not a single car load of grain was bought and reported to the Omaha-Grain exchange up to 3 o'clock Monday afternoon, the grain men have the greatest confidence in the situation.

Real estate dealers feel just as confident of the financial situation as the grain "We are used to handling the check and certificate currency," said H. G. Jordan, secretary and areasurer of the Byron Reed company, "We will accept the clearing house checks, or the checks on the savings banks payable in sixty days. There is not the least cause for fear. We have money in the Omaha banks, will put more there every day we take it in, and will receive personal checks for all payments due us. If neces sary we will carry our customers for a time and do everything we can to assist the clearing house in the work they have undertaken.

INDIFFERENCE IN SOUTH OMAHA People Refuse to Get Excited Over

Bankers' Action. Far from becoming excited over the action of the bankers the people of South Omaha might have been suspected of showversal cash famine by making out a check ing contempt for the belief they would for his entire balance to his brother. This stampede the banks Monday morning. Not check had evidently been made out Mon- in many days have the banks of the Magic At 10 o'clock the South Omaha Nationa could do was to depest the check to his bank had one customer and the Union

There was a prodigal display of wealth Packers' National bank there were about ten persons inquiring into the nature of the proposition of issuing clearing house tatiously. There were great piles of gold certificates. This being the first time in and bulging bags of silver. In fact, there the history of the city that the expedient was "money, money everywhere, but not a was resorted to it required considerable explanation to the customers. All accepted the certificates who desired them without question after the explanation was made. During the morning the Packers' Naional took in much more than it paid out

and by poon business moved in the usual smooth channels. Frank Moriarty, cashler, "We regret the order issued by the Clearing House association, but we must live up to the rules. The only difference in business today is the time required to explain
