Credit Currency Advocated.

The permanent relief from the present monetary stringency can only be had through a system of credit currency adequate to meet the requirements of trade and redeemable in gold coin was the opinion expressed today by Representative Charles Fowler of New Jersey, chairman of the banking and currency committee, which will at the coming session of congress, endeavor to have a law enacted providing for credit currency issued by national banks. Until such permanent relief is made possible by legislative enactment, Mr. Fowler asserted, the situation must be met by the issuance of clearing house certificates, cashiers' checks and due bills of business
