

SUTTON DEFEATS SCHAEFER

Champion Plays Steady Game and Touch is Almost Perfect.

WIZARD IN POOR FORM

Victor's High Run in 232 Hits, Most of Them Being Made in Center of the Table.

CHICAGO, Nov. 6.—George Sutton last night successfully defended his title as champion eighteen-two billiard player by defeating Jacob Schaefer, the score being 10 to 4.

It took Sutton fifteen minutes to run the game out, his average being 5-5 and his high run 232. Sutton took the lead in the first inning, when he made a run of twelve, and Schaefer was never able to overtake him. The champion played a steady game from the start. His cue balls were placed almost perfectly. Whether putting the balls or playing around the table, he was accurate in his calculations. In his ninth trial Sutton collected 232 billiards, most of them being made in the center of the table, where his delicate touch was displayed in a remarkable manner. Only three times during this run did he scatter the balls, and then it took but a single shot to collect them again. In the fourth inning Sutton had the balls together at the foot of the table and was clicking off the billiards in beautiful style, when he made a foul on his seventy-second shot, leaving the balls up.

In the fifth Schaefer made his high run of ninety-three and it looked as though he would overtake the champion. In order to get the balls in better position on his ninety-fourth shot, he chose a difficult one-cushion shot instead of an easy draw, and missed it. After that he was not able to do anything until the twelfth inning, when he rolled up a score of ninety. Out of fifteen times up Schaefer made six goose eggs, while Sutton failed to score in only one inning. Score: Sutton, 12 20 7 13 13 8 23 25 55 6 2 0 3-100; High run: 232. Average: 35.55; Schaefer, 5 7 0 2 2 5 2 14 0 2 9 0 1-34; High run: 93. Average: 16-15.

THREE HARD GAMES SATURDAY

High School, Bellevue and Creighton Have Tasks on Their Heads.

The three Omaha high school teams, High school, Bellevue and Creighton, have hard games on hand for Saturday. Bellevue must defend its title of state champions against Doane, one of the best teams in the state; the high school team goes to York to meet a team from the Nebraska Normal. The Omaha team has a very hard game on hand for Saturday. Bellevue meets the husky Drake aggregation at Vincent street park. In no case is the result assured, though each Omaha team is working hard in the preparations to win. The splendid show-up at York is the high school team warrants its members and friends in believing it will defeat York, though even the boys themselves are not overconfident. Their victory over Kearney, however, is their strength to the belief they can win at York. Coach Howard is putting them through a strenuous training week in anticipation of Saturday's battle.

The strong Drake team, under the tutelage of Coach Pell, will be the opponent of Creighton at Vincent street park Saturday afternoon. The officials charged with the game are McDonald of Omaha and Grinnell of Fort Dodge. The Drake team will be a formidable one as above the high school class foot ball rooters will be on hand to cheer the Omaha team.

Thirty-five men have been on the Bellevue field every night this week, trying to develop a perfect team for the Doane game. Doane has suggested, Pinnee of Lincoln as an official. Bellevue wants a regarded unfair to Bellevue on several occasions. It is thought best not to accede to Doane's demand. Bellevue wants a fair and impartial man, who has always proven himself a fair man. Work has begun on the building of sixty-foot bleachers for the game Saturday. The bleachers will be

erected in the middle along the side lines and will seat about 300. The student body of the college will occupy a portion of the bleachers in order to have compact seating. Daily practice of yells and songs is going on, and each morning there is a rally in the chapel. Night rallies will be held Thursday and Friday, where old football men have agreed to address the students. Appropriate signs have been erected over the campus and in the building tending to keep alive college spirit. The team will undoubtedly go into the field Saturday with the best spirit behind them that has ever been shown on the local gridiron. Doane, who has been playing right end, is back into the game again after a week's illness, caused by a bruise on the heel. He may not be in shape for the game Saturday. Two sets of ends are being tried out—Faxon and Schaefer. Doane and Phelps, if necessary the ends can be replaced between halves. Throw and Moore are doing wonders with the second team, giving them new signals and putting them into possession of plays used by Doane. Tuesday they had an opportunity to go to Terman for a game, but loyally turned it down to help give the variety the practice that they need.

Not Troubled About Grinnell.

AMES, Ia., Nov. 6.—(Special.)—Coach Williams and his squad of Aggies are not paying much attention to the Grinnell team. They believe that the Cornhuskers will give Ames a fair argument this coming Saturday. Chief attention is centered on the claim of victory over Nebraska, despite the result reported last Sunday. The Aggies base their claim on the fact that they were the first to enter the second half. The ball bounded over the cross bar of the Nebraska goal.

CITY COUNCIL PROCEEDINGS

Driving Ordinance Will Not Be Kept in Operation.

DR. DAVIS SAYS IT IS UNSOUND

Another Measure Regulating the Driving of Teams on the Streets Will Be Introduced in Council.

The horse won a notable victory in the city council Tuesday night according to Dr. Davis, who said he championed the cause of man's best servant, when he offered a resolution instructing the chief of police to forego the ordinance recently passed to regulate driving on the streets. The doctor said it would be impossible for physicians to attend to their duties and strictly comply with the ordinance and that draymen and others were compelled to overwork their teams in their efforts to keep out of police court. The council was a unit on the subject, Brucker, Elmsaer and Bedford opposing the resolution and the latter even going so far as to say he favored one to regulate the movement of the people on the sidewalks in the same manner. Dr. Davis said that under existing circumstances drivers of light rigs were compelled to follow heavily loaded coal wagons and in being forced to turn to the left to pass a rig in front were compelled to violate a law of the state which demands that drivers pass to the right. On vote by 9 to 3 the ordinance was suspended. An ordinance to repeal the driving ordinance was later introduced.

Speculation About Illinois Game.

IOWA CITY, Ia., Nov. 6.—(Special.)—If Iowa loses to Illinois it will be because the Hawkeyes were unable to work under the new formations permitted by the new rules. Iowa has many of the old formations which are being used. The reason for this is the belief that the Illinois line is much stronger than the Vindicator line. The required distance is to be made it will have to be made around the end or by using the forward pass. The team has not been teaching its new plays based on the line formation. The team has devoted all its attention to the forward pass and the work of the team thus far this week has been along the lines already laid down. Iowa has made no attempt to discover any new formations, but has been playing the same old formations since the two weeks ago. Seats for the Illinois game are selling rapidly, and a crowd of 25,000 is expected to attend. So far this week Catlin has held the men several times, with the formations to be used against Illinois, but the main reliance will be made on the plays which have been used up to date.
