The blunderer has to be corrected, supervised-much of his work done over by himself or some one else. This takes time and, in business, time certainly is money. The money used on the man who does not "think intelligently" might be added to his salary-in part, at least-if he know how to save it by always having a clear brain and putting money-making thought into his work. The character of food has a lot to do with a money-making brain.

Clothes - Satisfaction

By A. Frank Taylor

NE quality alone in a product doesn't constitute Satisfac-For instance, a stout pair of hob-

nailed boots may wear—but they lack both Style and Pit— And a Suit of Clothes may also rear but be absolutely lacking in Style, Shape and Fit-80 per cent of all Suits and Over-coats are not Satisfactory Clothes.

For while this 80 per cent of Suits or Overcoals may Wear—the Style, Shape and Fit in them is merely temporarily doped into them by Old Doctor Goose.

After such Garments have been

worn a while the Style-Shape and Fit have disappeared-The Lapels of the coat have become bulging—the Collar sagging at the back—the Shoulders broken— If you want a Garment that does

ing more than merely wear-One that retains its Shape, Fit and Style qualities as long as it re-tains its Wear quality—one that makes you look a well dressed man 20 % Variety.

And the best way to know that you're getting one of these kind of Garments is to see the label "Sincerity Clothes" is in the Garment you buy. "Sincerity Clothes" the Style,

Shape and Fit are not put in as an after thought, Instead they are actually Cut and Tailored in the very Fabric itself.
It costs a whole lot more to tailor ncerity Clothes" with Style, Shape and Fit as well as Wear-

the Buyer a single cent more than durability to commend them. See "Sincerity Clothes" at your high-grade Clethes Shop. Look for the label in the next garment you
