Only a Few Days Longer \$1.00 Gas Now

Without the aid or consent of the Mayor or City Council. The **Great Queen** Detroit Ideal gives it to you. We sell it on small monthly payments or a cut price for cash.

The Great Queen is the range that takes so little fuel. It will cook a meal on top and bake bread at the same time with two little shelves full of coal. It needs no stove polish, neither does its top need oiling to keep it from rusting like a polished top does. It will last a lifetime.

The reason the Detroit Ideal gives you \$1.00 gas is because it has flat drilled burners. It burns more air and less gas. It excludes the poisonous fumes from the oven. Its baking is as pure as a steel range.
