Mrs. Mary Mag, rear 6004 Beitler street, E. Pittsburg, Pa., writes:

"Last spring I had a very severe cold which settled on my langs. I went to the doctor for some time, but his medicine did me no good.

"Having read in the paper some testimonials of the value of Peruna, I decided to try it, and at the same time wrote to Dr. Hartman for advice. I took five bottles of Peruna and am now entirely cured.

"Before taking Peruna I was so run down that I could do no work and coud not stand on my feet. My head ached and I could not sleep-I would wake up and cough. In the morning, on rising. I would cough for at least ten minutes. I was alarmed.

"But, thanks to Peruna, I am now enjoying good health. I would not be without Peruna. I keep it in the house and give it to my little boy when he has a cold." -MRS. MARY MAG.

THIS OMANA MAN WAS CURED BY FRUITOLA Omaha, Neb., Oct. 30, 1907

Omaha, Neb., Oct. 30, 1967 Myers-Dillon Drug Co., Omaha, Neb. Gentlemens.-I suffered for more than six months with what I supposed to be stemach and howel trouble. I tried every remedy suggested to me all of this time without receiving any benefit. I saw your advertisement of Fruitola, and one time without receiving any benefit. I stake your advertisement of Fruitola, and one of your clerks advised me to try it. I took the Fruitola in connection with Traxo, as directed, and the result was astenlishing. After taking one bottle of Fruitola more than a hundred gall-stones were removed. I continued the use of Fruitola and Traxo until the cure was complete. The satisfaction of having my health restored is worth more than money to me, and I am correspondingly grateful to you. I have recommended Fruitola to a great many of my friends, and in every instance, as in my own case, it has done more than your claim for it. It will give me pleasure to allow you to use my name in your advertising. Mar. "Omaha Branch" John Gund Brewing Co. Mar. "Omaha Branch" John Gund Brewing Co.
