Cleanses, preserves and beautifies the teeth, and Purifies the breath A superior dentifrice for people of refinement Established in 1866 by J. H. Lyon, D.D.S.

Comstock and his attorney, R. S. Hall were at the federal building Monday morning to look after other civil cases pending against Mr. Comstock, wherein he is alleged illegally to have fenced certain tracts of land in Sheridan and Cherry unties. Mr. Comstock said:

"I am here merely to ascertain the status of the other cases against me, which may be called up during the present term of court. There is nothing that I would care to say about our case now in the circuit court of appeals. I have not seen Mr. Richards for a month or two. I am just returning from the east, where I have just attended the funeral of my father."

When you stop to think about it, you, of course, realize the grave danger that menaces your children when they play in the streets on which there are street car tracks, but do you think about it often enough?

And do you caution your children about it often enough?

Are you sure that YOUR children are not daily exposing themselves to the danger of being struck by a car-in fact, jeopardizing their lives,

Remember that when children are playing, their minds are engrossed with their play and they are utterly unheedful of approaching cars and frequently dart directly in front of them.
