Temperance Advocate Indorses

Mr. George Foster Collins, of Lincoln, Neb., who is 73 years old, a member of the Presbyterian Church, prominent in politics, a life long and strenuous advocate of temperance, has been greatly benefited by the use of Duffy's Pure Malt Whiskey and conscientiously recommends it as the best tonic stimulant for the old.

"I am 73 years old. Was born in Wayne County, N. Y., on March 21, 1834. Our family moved to Michigan shortly after this. I grew up on the farm, then studied law, was admitted to the bar, was County Clerk of St. Clair County, Mich., which office I held four years. Then was for a time secretary of the Midland Railway of Michigan. I moved with my family to a farm in Gage county, Nebraska, in 1874; was a member of the County Board eight years. In 1890 was elected State Senator. Foster, my middle name, has been transmitted to the family for over 100 years from father to son. Mrs. Collins and myself are members of the Presbyterian Church of Lincoln, where we have lived for the last four years. We celebrated the fifty-third anniversary of our marriage on March 23rd, 1907.

From early youth I have been a strenuous advocate of temperance principles, and strongly opposed to the use of liquor in any form. Over a year ago I began to feel a gradual decline of the vital forces, I had read and heard much about the benefits to be derived from the use of Duffy's Pure Malt Whiskey by those in my condition, and was advised by an old friend and temperance worker who had received much benefit from its use to overcome my prejudice against liquor and try it. I took the advice and have been greatly benefited by it, and can conscientiously recommend all those who are in my condition to take Duffy's Malt Whiskey. —GEORGE FOSTER COLLINS, 2509 P Street, Lincoln, Neb., May 15th, 1907.

Duffy's Pure Malt Whiskey

It is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ of the seed and producing a predigested liquid food in the form of a pale malt, which is the most effective tonic stimulant and invigorator known to science; softened by warmth and moisture its palatability and freedom from injurious substances renders it so that it can be retained by the most sensitive stomach. It is invaluable for overworked men, delicate women and sickly children. It strengthens and sustains the system; is a promoter of health and longevity; makes the old young and keeps the young strong.

CAUTION—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure you get the genuine. It is the only absolutely pure medicinal malt whiskey and is sold in sealed bottles only; never in bulk. Price \$1.00. Look for the trademark, the "Old Chieftain," on the label, and make sure the seal over the cork is unbroken. Illustrated medical booklet and doctor's advice free. NEBRASKA CITY—Mrs. Clara Brower, wife of Harry Brower, died very suddenly this morning. She had been in poor health for almost a year, but lately has been improving and was better than she had been for some time. Reiber, who was born and grew to womanhood here and was married eight years ago to Mr. Brower. L. T. Cooper, whose theory that the human stomach is the cause of more ill health and who created a furor in Chicago, St. Louis and other western cities, in meeting with the same remarkable success with his medicine throughout the east. Cooper has convinced an immense number of people that his theory is sound and his medicine will do what he claims. Perhaps the most interesting features of the discussion this young man is causing, are the statements made by responsible people who have taken his medicine and have become enthusiastic converts to his beliefs. Among statements of this character the following by Mr. August Wittmer, 1048 Rockwell Court, Chicago, is characteristic of the widespread faith in Cooper, which has grown up in a comparatively short time. Mr. Wittmer says: "I wouldn't take \$100 and be in the condition I was three weeks ago. I was practically an invalid for fourteen years and I think I had about all of the diseases known. My stomach was weak, and at times I would have an enormous ap-
