## FLEMING'S PLAN ENDORSED

Council in Committee of the Whole Acts on Water Rate Ordinance.

ONLY TWO OPPOSED TO MEASURE

Manager Hart, Without Committing Company, Indicates it Probably Will Consent to Try the Rates Prescribed.

The city council in committee of the whole last night by a vote of 5 to 2 apwhole last night by a vote of 5 to 2 approved. Councilman Pleming's new water rate ordinance and decided to report it \$4.00, at S. A. Pierce & Co., Broadway and back to the council with a recommendaproved. Councilman Fleming's new water back to the council with a recomm tion for its passage.

The rate ordinances fathered by Councilmen Smith and Younkerman were laid

The commistee first took up Councilman Smith's ordinance, which provided for the compulsory use of meters by censumers of water and the elimination of all flat This was read section by section and discussed and while some of the counclimen were willing to admit that the measure had some good points in it, the general pinion was that the plan proposed by the uncilman from the Fifth ward was at least five years shead of the times. When Councilman Smith moved the adoption of table followed. Councilman Fleming's ordinance contains

the same rates as are at present in force under the ordinance passed last May with the exception that it does away with the mum meter rate. There was but little discussion over this ordinance except that Councilmen Younkerman augusted hat the charge for connecting with sprink- er systems should be reduced from 15 SCHOENING CO. er systems should be reduced from 16 cents per head to 5 cents a head. Councilmen Fleming, Knudsen, Maloney, Oison and Smith voted for the ordinance, while underwent an operation at Mercy hospital Councilmen Hendrix and Younkerman yesterday morning.

further reductions, he thought the company might try the new ordinance for six months and then if it was found that the ates did not afford sufficient revenue the pany would demand a readjustment. The ofimination of the minimum meter ate, Mr. Hart said, meant the loss of several thousand dollars revenue to the mpany and this he did not think was utirely just, as the company had coneded practically everything it could when se rate ordinance was passed last May. Several other matters which had been eferred to the committee of the whole ere laid over for another meeting. The Main St. westion of purchasing additional street John H. Clark, jr., a member of the gas was referred to the finance committee with a view to ascertaining if there were funds available for such a purpose.

John H. Clark, jr., a member of the local newspaper fraternity, leaves today for Wheaton, Ill., where on Thursday he will be married to Miss. Deborah Mendenhall Gordon, formerly of this city. Mr. Clark and bride will make their home at 204 Stutsman at rect. sestion of purchasing additional atreet

The uses of charcoal are many. In art and electricity it is constantly used, but it is especially valuable where absolute purity of product is required. As an absorbent and disinfectant it has no equal. That's why you will invariably find it in every water-filter.

Stuart's Charcoal Lozenges are made from pure willow charcoal, with a slight mixture of honey to render them palatable. They will filter your blood for you, destroy every particle of poison and impurity, absorb all the gas in your stomach, give you a sweet, clean breath, and relieve you from the awkward feeling you are bound to have when you detect by the expression of other people that they smell by S. C., where he attended a meeting of the committee and also the National Rivers and Harbors congress, as delegate from this state.

Regarding the selection of Chicago as the place for holding the republican national convention Mr. Hart said it was merely question of accommodation. He said: The candidates for the presidency all live near Chicago and will have large delegations there. They wanted assurances that all of these delegations would have proper accommodations, and Chicago is so far ahead of any other western city in this respect that its selection and not Kansas City was the result.

Gentlemen.—I suffered for more than six months with what I supposed to be stomach and bawel trouble. I tried every remedy suggested to me all of this time without receiving any benefit. I saw your advertisement of Fruitola, and one of your clerks advised me to try it. I took the Fruitola in connection with Traxo, as directed, and the result was astonishing. After taking one bottle of Fruitola more than a hundred gall-stones were removed. I continued the use of Fruitola and Traxo until the cure was complete. The satisfaction of having my health restored is werth more than money to me, and I am currespondingly grateful to you.

I have recommended Fruitola to a great many of my friends, and in every instance, as in my own case, it has done more than you claim for it.

## THE BEE BUILDING

was planned exclusively as an office building and is in every way the most convenient in its arrangement. No offices are very far from the elevators and the elevator service is most satisfactory. building has gained a reputation for continuous cleanliness and has good jasttor series, not only now and then, but all the time. The building is always kept in perfect repair.

There are several choice small offices available, which rent at from \$10.00 to \$29.00. The occupants of small offices receive the

same careful and courteous attention as the largest tenants. For office space apply to R. W. BAKER, Supt., Room 418 Boo Building.
