Spend Your Own Money Your Own Way

Does it not seem strange to you that a dealer who tries to substitute, when you ask for an advertised article, should assume that you are not capable of spending your own money? Show him that you are by insisting on getting what you ask for and refusing any substitute. Substitutes pay him a larger profit, otherwise he would give you what you ask for, without question. Manufacturers of advertised articles produce large quantities, being enabled thereby to manufacture cheaply and furnish the public with high grade goods at the price of inferior substitutes.

Substitutes Are Expensive At Any Price.

Food for Nerves Weak and nervous man who find their power to work and youthful vigor gone as a result of over work or mental exertion should take GRAY'S NERVE FOOD PILLS. They will make you eat and sleep and be a man again. $1 Box; 3 boxes $2.50 by mail.
