YOU CANNOT OVERLOOK THE BOY

For the boys, we always have something interesting in footwear. For instance, there's our famous Drexel special Steel Shod Shoe that we sell for

\$2.50

Not another shoe on the market that even equals it—why, it outwears two pairs of the ordinary shoe even with the rough usage a boy gives his shoes—this we guarantee.

Another Suggestion

Why not a pair of our Boys' Storm Boots—they are just the thing for bad weather wear. We have them in tans and blacks, and in all sizes—as also we have the Steel Shod Bear this in mind when you think of useful gifts.
