Many Have "Suggested" ---But

Let us show you —any of the "suggestions" for less money than any of the "suggestions" can sell because they did not buy as we do —for the reason that we have five (5) large stores and are warranted in buying in larger quantities and get the same and better quality for less money. This is not an ad—but facts—as will be proven if a comparison of our prices are made with any or all of the "suggestions".

We never have had as pretty and substantial a line of Christmas gifts for Men, Women and Children, as this year, and one thing sure—we are not going to carry them over.

Here are a few hints on which we can save you dollars. Safety razors and common razors; razor straps and mugs; military and common hair brushes; mirrors in plain and fancy shapes; toilet sets; manicure sets; Candy—Craftman's Guild, Baker's or Balduff's chocolates, etc.

Here's the Shoe You've Been Waiting For

Several months ago we placed an order for the new Golden Brown Shoes for Women. Only yesterday we received them. Here's a partial description— which, by the way, does not do the shoes full justice: They are that new beautiful golden brown in color; they are high-topped, made in Bals lace, foot form; can be used as a walking shoe, skating shoe or for general wear. Take our word as shoe men; they are about the toppest thing in shoes ever brought to Omaha, and, what's more, they are exclusive with us. The leather is Russian calf; the price is \$4.00. Just ask to see them, please. We have them in all sizes.

We want you to see these Children's Shoes we've told you about. We have them in sizes 8 1/2 to 11 at \$2.75; sizes 11 1/2 to 2 at \$3.25.
