Large Sales of Durum Wheat. Large Sales of Durum Wheat.

MINNEAPOLIS. Dec. 14.—Foreigners were liberal purchasers of durum wheat in Minneapolis today. About 505,000 bushels were reported worked by elevator companies. As this was to go "all rail" to the Atlantic coast it indicates an exceedingly urgent demand for the hard wheat. The countries along the Mediterranean where the bulk of the durum wheat is consumed, are facing a general grain shortage. Steps have been taken to lower the import duties. Advices from Baltimore today said that a big demand was on for wheat.
