

Saturday Before Christmas! Shop During Forenoon! Stocks Still Unbroken! Clerks Alert!

It's Just This Way

You've lots of shopping to do before Christmas and you've only three shopping days to do it in, Saturday, Monday and Tuesday. The best day for you of these three is Saturday. What you want is here; it may not be here Monday and more'n likely it'll be gone Tuesday. Take time by the forelock. DO IT NOW. The most conspicuous feature of this great store's life and work is the high grade quality of everything we sell. Another pleasing feature is the earnestness, enthusiasm, intelligence and courtesy of our salespeople.
