EXTRA SESSION IN NEVADA

Governor Issues Call for Legislature
to Meet January 14.

TO CONSIDER LABOR PROBLEM

Executive Will Outline Needed Legisla-
tion in Special Message as
Soon as Organization
is Completed.

CARBON, Nev., Dec. 31—Governor

Sparks yesterday called an extra
session of the legislature to convene January
14, 1908. For the last twenty-four hours
the governor has been deluged with dis-
patches from all over the state and many
places outside Nevada, urging the calling
of the extra session to settle labor
troubles.

Following is the text of the call:

To the Honorable Members of the
Twenty-third Session of the Legislature
of the State of Nevada—Gentlemen: The
constitution of the state, Article 4, Sec-
tion IX, provides that the governor may,
on extraordinary occasions, convene the
legislature by proclamation, and shall state
to both houses when organized the pur-
pose for which they have been convened,
and the legislature shall transact no other
legislative business than that for which
they were specially convened or such
other legislative business as the governor
may call to the attention of the legisla-
ture while in session.
I believe that an extraordinary occasion
now exists and one which the legislature,
being a corporate branch of the state gov-
ernment, is prepared to solve. It became
my duty, by proclamation, to convene the
legislature at Carson City, Nevada, on the
fourteenth day of January, A. D. 1908.
This request has been made by many citi-
zens, the object being to adjust by legisla-
tion, if possible, the controversy exist-
ing between the miners and mine owners
at Goldfield, this situation, such legisla-
tion should be general in character and impar-
tially applicable for the restoration and
preservation of law and order.
Under the legislation, as above cited,
the governor shall state to both houses,
when organized, the purpose for which they
have been convened. When that time arrives,
I will endeavor to outline to you the
necessary legislation required, and will
give hearty co-operation in the attempt
to secure to every citizen of Nevada his
just rights, freely to be exercised under
the law.
(Signed) JOHN SPARKS, Governor.

ACADEMY FOR HOT SPRINGS

Methodists May Take Over the Unused
College Building at
That Place.

MITCHELL, S. D., Dec. 31—(Special.)

In all probability the proposition to estab-
lish the auxiliary school of Dakota Wes-
leyan university at Hot Springs will be set-
tled this week when the executive commit-
tee of the university will meet here to de-
cide on the location of the site in Hot
Springs. Dr. Nicholson, president of the
university, spent the last week in the Hills
country, and met with Rev. Mr. Dolliver,
superintendent of missions; E. W. Martin
of Deadwood and E. E. Wilson of Hot
Springs. The proposition is to purchase the
buildings and grounds of the old Black
Hills college at Hot Springs and conduct
the academy as an auxiliary to the Meth-
odist institution in this city. Present plans
call for the carrying out of a college pre-
paratory course, with courses in music, art
and business. Hot Springs has already
raised about \$5,000 to assist in the project.
The old college building is 60x85 feet, three
stories high and cost about \$20,000, sur-
rounded by fifteen acres for a campus. The
buildings and grounds are owned by eastern
capitalists, who were compelled to fore-
close a mortgage on the school when it
failed along in the early nineties. The
owners are very anxious to dispose of the
structures.
