#### Eloping Girl Sees Father.

"Oh, you dear old dad! I guess I don't want to get married after all," said 16year-old Sadle Gray of Irwin, Pa., who was cloping, while she was walking through the streets of Follansbee, Pa., with her sweetheart, Edward Wilson, 17 years old. She saw her "father walking down the other side of the street, rushed to meet him and threw her arms around his neck.

"Sadie, you are too young to get married," said her father.

"Your father can't get you back without getting requisition papers from the governor." said the husband-to-br.

"Young man," said Gray, as he took both by the arm and pulled them out of the crowd. "I am going to take you back home with Sadio and me. You will probably get a thrashing when you get back to your father, but it may help you to grow big enough to get married some day."\*
