For That Boy YOUR BOY

His feet are of the first importance. Put him on his feet early in life and ten to one he will make his mark. Could we only impress upon the fathers and mothers of boys the importance of shoeing the boys well while they are growing, most of the foot troubles might be avoided. At the Drexel Shoe Store the boys' department is a big item—more than that, we are specialists—we not only take particular pains in carrying in stock the best we can buy in boys' footwear, but we are always particular in the fitting. Our salesmen are expert in the proper fitting of footwear. You'll make no mistake here.

A REMINDER FOR TOMORROW
Our special boys shoe at \$2.00. See it—don't take our word—have him try it on. We will leave it to you. If you cannot come yourself send the boy. We will give him the same treatment you would receive yourself.
