Attorney General Thinks Brown and Sheldon Should Attend Convention.

STRONG MEN OF PARTY NEEDED

Removal of Wayne Councilmen is Asked by Anti-Saloon League-Supreme Court Rules Against Claim of Saunders.

(From a Staff Correspondent.) LINCOLN, Neb., Jan. 22.-(Special.)-

Attorney General Thompson in discussing

"I have thought considerably on this subject. It seems to me that the republicans

"Viewing the question alone from the sideration. "Personally, I am in favor of Governor

Sheldon and Senator Brown. My reasons are:

"L Because the republicans of the state have confidence in these men.

"2. They are strong, courageous and representative leaders. "3. They came out in the open to chamstate politics, and, outside of the editors of the republican press of the state, did

more, in my judgment, to redeem the state from these influences than any other men. In taking the stand they did, they naturally drew the fire of the opposition influences and exposed themselves to the humiliation which might have resulted in possible de-

"Therefore, I see no reason why George publican convention simply because they

#### Wayne Officers Accused.

Governor Sheldon has been called on to remove from office three councilmen of Wayne because they refuse to revoke a saloon license where the holder of the license has been convicted under the Slocumb law and fined. The law provides that where an offense of this kind is proved, a saloon man is entitled no longer to his right to do business. The governor is brought into the case through the new law which permits him to

remove officers derelict in duty. Last June, Peter Thomsen of Wayne was fined \$20 on each of six different counts for selling liquor to minors. The case was appealed but was thrown out of against Thomsen. January 13 the antisaloon league requested the city council by the state

of Wayne to revoke the Thomsen license. By a vote of three to two the motion to revoke was tabled. Councilmen Craven, Chase and Neely who constitute the majority of the council, are the members whose posi-

tions now depend upon the will of the The Wayne officials have sent in a re

This wonderful natural blood purifier is bottled only at the Witter Springs. Lake County, California, Its action is truly marvelous. First, it effectively purifies the blood. It is an alkaline water and counteracts any acid that may be found in the stomach and intestines, immediately relieving flatulency, dyspepsia or sour stomach. Food which formerly caused indigestion, will digest with ease, resulting in a permanent cure of chronic disorders of the stomach.

Witter Water likewise reaches the liver and kidneys allaying inflammation and restoring these organs to healthy vigorous action and by its diuretic effect, brings the liver and kidneys to a normal condition so that they perform their functions with regularity. Do not let yourself grow worse or fill your system with noxious drugs that destroy the stomach and nerves. Cure natural troubles by nature's own remedy. Stop Suffering; Order a Cass From Your Druggist Today.

"One of the most unusual statements people who had become convinced of the was made by Mr. C. W. Woods, of 107 soundness of Cooper's theories with regard South Highland street. He said: For four years my wife was in very poor health.

She was weak and thin, with a heetle flush and cough. Physicians said she had consumption, and I was inclined to believe them. It certainly looked as though her days were numbered, and there appeared to be very little ground for hope

"Shortly after Mr. Cooper came to Pittsburg I began to hear of wonderful results that had been obtained by persons who had tried his medicine, so I got some for my wife. She had taken it only two days when she was relieved of a tapeworm 42 rival, to the effect that before he left feet long. She began to improve immed-Pittsburg thousands would realize that lately-has gained seven pounds since she his theory is correct and would come and began taking the medicine. She feels thank him for what his medicine had done, splendid and looks very much better. If any one doubts this statement I would be

"On Monday an astonishing number of pleased to have them call at my house and people called to express their gratitude to Mr. Cooper. Judging from what some of The Cooper remedies are becoming justly

these people had to say to a Press reporter, famous. We sell them .- Beaton Drug Co

Where your money is invested in stock which is secured by first mortgages on homes, nor are you worried about the schemes of Wall street "plungers."

When for sixteen years our stock has always been worth one hundred cents on the dollar and has never falled to produce dividends of at least six per cent per annum payable semi-annually, and when in that time we have disbursed in dividends over a half million dollars, besides building up a business of \$2,740,000 and a reserve and undivided profit account of \$83,000, it is worth your while to investigate before placing funds elsewhere than us.

We\_receive from \$100 to \$5,000 any day and allow dividends from date of receipt of money. We are under State control and subjected to regular examination by the State Bank Examiners.

Persons may reside anywhere and do business with us. We have 7,700 members and invite others.

the suit. Commissioner John H. Ames, from the public schools on account of sore who wrote the decision says the public per cent of the enrollment. Nearly all who fill cannot be created and its power, duties have to be vaccinated have now been vac- and emoluments prescribed by concurrent resolution.

Deficiency Judgments Legal.

Chapter 95 of the session laws of 1897 relating to deficiency judgments which repeals sections \$47 and \$49 of the code of sivil procedure and to amend section \$45 of the code of civil procedure by striking out the last five words of said section mainly, "unless authorized by the court." is declared void by the supreme court in the case of Benjamin F. Moore, appellant, against Robert F. Neese et al, appellees.

appealed from Sloux county. Following is the syllabus of Commissioner Ames opinion:

established at the weather bureau. The coldest preceding day was January 15, when the thermometer read but 6 degrees above the zero point. The cold snap was general through the Dakotas and eastward from the mountains The decision permits the collection of
