CAR-SIGN NEWS

COLORADO SPRINGS, Colo., Feb. 6, 1908.

SPECIAL to readers of THE BEE:

Some folks thought I came out here to the "city of poor millionares" for my health. I did. I also came here on business. My efforts have been crowned with Success (I always spell it with a big S). I have organized and incorporated the Colorado Mobile Car-Sign Co., with a capital of \$100,-000, of which \$55,000 has been sold, assuring us of abundant cash with which we are installing the device in several street railway systems. The Endless Belt Street Car Advertising Device is a sure winner. The local company controls leases on several trolley systems and the Colorado Midland steam cars, I think that's going some.

I will return to Omaha Tuesday, February 11, and want to meet the stockholders and directors of the Omaha Mobile Car-Sign Co., at their regular monthly meeting at my office that evening at 8 o'clock.

I want to meet the officers and members of the Central Mobile Car-Sign Syndicate, which controls the rights on Indiana, Michigan and Canada, at my office Wednesday night at 8 o'clock, February 12.

All concerned know where my office is-rooms 21-22 U. S. National Bank Bldg., 12th and Farnam. Not only have I been doing fine here, but Car-Sign business has pro-

gressed all over the country. My organizers and promoters have met with their customary excellent Success, which always rewards honest effort. If you are interested in Car-Sign business, send for my new book, THE EVOLUTION OF AN IDEA-very clever-I wrote it myself. Copy free for the asking. Take a minute and a postal and write for it, or if convenient call at my office and ask the man in charge for a copy.

Very sincerely,

THEO. KHARAS, The Car-Sign Man. (4)-
