

The Biggest Shoe Sale in Western History

Beginning Today, Thursday, Brandeis Places on Sale the

ENTIRE STOCK OF SHOES

From the Des Moines Department Store, Des Moines, Iowa.

Our entire shoe department on main floor—old store—devoted to this sale

The Des Moines Department Store was compelled to discontinue after a business of less than 2 months. Their entire stock was all practically new. Their shoes were of the highest grade and in the very latest styles.

Our purchase included their entire spring lines of high quality, low and high shoes for women, men and children

These shoes had never even been unpacked from their cases. The price we paid was only a fraction of the real value of this splendid stock and the bargains we offer you will be positively amazing.
